## Overview

---

Super clean with fresh rebuilds on both motors

The Riviera 36 Convertible's classic styling, rugged construction, solid ride and fish-ability made her a strong contender in the midsize convertible market of her day. Hull construction is solid fiberglass, and like all Riviera convertibles she was designed with a forward collision bulkhead and watertight compartments for an extra margin of safety. With recent rebuilds on both motors, updated electronics, this is one boat that should not be missed.
