# DETAILED INFORMATION

---

## Walkthrough

---

Entering the boat over the covering boards into the large Cockpit one can easily see the boat is rigged for fishing but just as often used for cruising.

The Salon is one step up with an L shaped couch to starboard and a dining settee forward to port opposite the open Galley. Customized by the current owner, the forward windshield was glassed in and a large number of interior Galley cabinets were added with hidden storage forward.

Steps below lead to a Master to starboard with a private head, upper and lower bunks to port and upper and lower bunks forward with a full head with stall shower between.

Access to the Flybridge is by a ladder with a large helm and plenty of guest seating.

## Salon

---

One step up and slightly to port is hinged Salon entry door. To port is the yacht's main electrical panel followed by an occasional chair and a custom flip up desk for an iPod or laptop work station. To starboard is an L shaped recently recovered settee with custom rod storage in the aft section and additional storage in the outboard section. The settee terminates into an end table with drawer storage. A teak hi-lo drop leaf table lies in front of the settee.

A directional light fixture is mounted in the corner. Both the aft and port and starboard windows have mini blinds for privacy. The sole is carpeted.

Next forward to port is a booth type dining settee with drawer storage below, upholstered in an Ultra Leather. A granite tabletop makes a perfect Dining Area adjacent to the open Galley and also open to the Salon. A custom light fixture is above.

Forward of the dining settee is the yacht's entertainment center consisting of a LG 32" LCD TV, a Yamaha AM/AM/AV receiver, a Samsung Blue Ray player, a HD Direct TV receiver, additional storage and five Cambridge Soundworks speakers cube speakers with a subwoofer. Behind the occasional chair in an outboard locker the owner stores the six man Winslow canister life raft out of the sun and heat.

## Galley

---

One step up and slightly to port is hinged Salon entry door. To port is the yacht's main electrical panel followed by an occasional chair and a custom flip up desk for an iPod or

laptop work station. To starboard is an L shaped recently recovered settee with custom rod storage in the aft section and additional storage in the outboard section. The settee terminates into an end table with drawer storage. A teak hi-lo drop leaf table lies in front of the settee.

A directional light fixture is mounted in the corner. Both the aft and port and starboard windows have mini blinds for privacy. The sole is carpeted.

Next forward to port is a booth type dining settee with drawer storage below, upholstered in an Ultra Leather. A granite tabletop makes a perfect Dining Area adjacent to the open Galley and also open to the Salon. A custom light fixture is above.

Forward of the dining settee is the yacht's entertainment center consisting of a LG 32" LCD TV, a Yamaha AM/AM/AV receiver, a Samsung Blue Ray player, a HD Direct TV receiver, additional storage and five Cambridge Soundworks speakers cube speakers with a subwoofer. Behind the occasional chair in an outboard locker the owner stores the six man Winslow canister life raft out of the sun and heat.

---

## Accommodation Companionway

---

Four teak steps lead below. To the port is an upper lower Cabin followed by the Guest Head with three access doors.

To starboard is the Master Suite and all the way forward is an upper and lower Cabin with a Frigidaire stacked washer and dryer behind a teak door.

---

## Master Cabin

---

To starboard is the Master Cabin. Aft and outboard is a queen size berth with a custom Inner Spring mattress and four drawers below. Outboard of the berth is a built in nightstand with storage below and a table lamp above. Each side of the berth has a reading light in a mirrored soffit above.

Outboard is an opening porthole behind drapes in the padded hull liner.

Also in this cabin is an DC overhead light, two stereo speakers, a carpeted sole and a 20" LED TV mounted on the forward bulkhead. Furthest forward is an auto lit hanging locker followed by the head door. A clear glass deck hatch is above with a hinged screen.

---

## Master Head

---

The sole is vinyl pearlescent tile. The vanity has one storage cabinet below and a

custom enlarged Kohler sink on a mica countertop. Above the sink is a mirrored medicine cabinet and a frosted glass porthole. The toilet is a Vacuflush model with a bidet attachment.

The stall shower has a tempered glass door, a light, a handheld or wall mounted fixture and a Hide-a-Line clothesline.

Overhead in the Head is a three bulb fixture over the sink, an DC light and an exhaust fan.

There is a two shelf linen locker adjacent to the toilet.

---

## Portside Guest Cabin

---

The Portside Guest Cabin has upper and lower bunks, each with a reading light. Below the lower bunk are two large storage drawers. Above the upper bunk are drapes over the opening screened porthole.

Aft and inboard is a two drawer nightstand.

Forward is an auto lit hanging locker and the entrance to the Guest Head with a full size dressing mirror facing the cabin. The cabin has a carpeted sole, DC overhead lights and an air conditioning controller.

---

## Guest Head

---

The Portside Guest Head has three entrance doors, one from the Portside Cabin, one from the Centerline Companionway and one from the Forward Cabin.

The sole is vinyl pearlescent tile. The vanity has one storage cabinet below and an enlarged Kohler sink on a Formica countertop. Above the sink is a mirrored medicine cabinet and a frosted glass porthole. The toilet is a Vacuflush model with a bidet attachment.

The stall shower has a tempered glass door, a light, a handheld or wall mounted fixture and a Hide-a-Line clothesline.

Overhead in the Head is a three bulb light fixture over the sink, an DC light and an exhaust fan.

---

## Forward Cabin

---

Entering from the aft end the Laundry Center is to starboard followed by twin berths in

an over/under arrangement. Below the lower berth are two storage drawers, above the upper berth is an obscured glass porthole in the padded hull liner. Each berth has a reading light.

Forward is the anchor locker door for the divided rope/chain locker. Next aft is a cabinet with two drawers and a large cabinet below with a shelf above. Further outboard is a sliding door storage cabinet followed by a large storage shelf and an obscured glass porthole in the padded hull liner.

Next aft is a full size auto lit hanging locker followed by the third access door to the Guest Head.

There is one DC overhead light and a carpeted sole in this cabin.

There are storage racks for eight rods overhead and five under the upper berth.

## Foredeck

Fiberglass nonskid deck  
Fiberglass Hatteras bow pulpit w/teak insert  
Galley Maid vertical chrome windlass w/chain gypsy & capstan  
Up & down foot switches for windlass  
Stainless steel anchor chute  
Plow anchor (galvanized) w/chain & rode  
Stainless steel bow rail  
Bow staff pennant  
Dual spring line cleats  
International Navigation lights  
Hailer horn  
VHF antenna extensions & standoffs (3)  
Cabin deck hatches for ventilation & escape w/new clear glass inserts  
House side handrail, port & starboard  
Dual trumpet horns to port  
Aluminum rails for tender mounting (no tender)  
Life raft storage bracket (life raft stored inside)  
House side windows removed & replaced w/new frames & tinted glass (not film over glass)

## Cockpit

153 sq. ft. fiberglass nonskid deck  
Fixed aft sunshade w/removable Tonneau cover to transom including side panels  
Portside Cockpit storage locker w/hinged top & cabinet door below  
Lockable Engine Room access, centerline  
Fiberglass sink & bait prep under hinged lid(5)  
Tackle drawers behind bifold door  
Top loading freezer to starboard  
7 Step stainless steel & "starboard" bridge ladder  
Cockpit coaming bolsters new  
Under gunwale stern cleats w/hull side hawse pipes  
30" Walk through transom door w/hinged gate(7)  
Flush mount rod holders(4)  
Rod holders on port & starboard tower legs  
Scuppers w/hinged covers(2)  
Overhead DC lights at aft brow  
Large access hatch into aft bilge area  
Full size Murray Brothers fighting chair w/Pompanette rocket launcher  
Dockside water inlet w/quick Disconnect fitting  
SW wash down water inlet w/quick Disconnect fitting  
FW wash down water inlet w/quick Disconnect fitting  
Hubble CATV & telephone inlets converted to area for live well switches  
Hubble 50 amp shore cord inlets  
Hinged entry door  
Rupp Triple spreader outriggers (stored off boat)  
Custom aft bulkhead locker outboard of entry door  
Hatteras under deck live well to port  
Aft catch locker w/(2)

hatches has been custom insulated

## March 2020 Yard Visit

BIG EYES was hauled for a bottom service mid March, 2020 at Merritt's in Pompano Beach. Work included sanding the bottom, fresh bottom paint, new zincs and hull sides waxed. Owner reports (and photos show) "no blisters".

## Remarks

Owned for many years by the current owner BIG EYES has many custom features. The owner had the forward windshields glassed in and added attractive contrasting wood cabinets. That greatly increased the storage in the Galley and added room for entertainment electronics. The sofa is built to hold an arsenal of fishing rods, the electronics all operative as designed and overall the boat represents a sturdy offshore fishing platform with room for a crowd at the price of a newer 29' center console!

---

## Exclusions

---

While every effort was made to list all pertinent included equipment aboard BIG EYES, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

---
