SPECIFICATIONS

Overview

Bitter Sweet is in beautiful condition with light fresh water only use, great maintenance and climate controlled inside storage seven months a year. She is the hard to find *Hard Back* model with many factory options. Excellent visibility from the functional helm with a top of the line Raymarine electronics package that includes radar and autopilot. Very roomy interior, shallow draft and a modern V hull make her the perfect cruising boat. Beautiful dark blue hull with gold cove stripe. She has the upgraded Cummins QSB 480hp electronic engine w/BTS controls, Kohler generator and bridge deck air conditioning. She has most all of the factory options as well as a number of custom options including a backup camera.
