Specifications

Overview Highlights

- **Modified V Hull with low deadrise, prop pockets and shallow keel**
- **21' 3" beam allows for volume equivalent to a much larger yacht**
- **High gloss African Mahogany interior**
- **Curved interior sketched faced passage doors**
- **Large salon with formal dining table**
- **Main deck day head**
- **Owner and guest washer and dryer in guest companion way**
- **4 stateroom 4 En-Suite Head and Shower layout**
- **Full Beam Master Stateroom with walk in closet and his and her En-**

Suite Head

- **Extremely spacious Sky Lounge with wet bar, stereo and TV**
- **Exterior bridge seating with 2 gaggenau grill**
- **Upper pilot house helm located in the Sky Lounge**
- **Upper bridge boat deck with 1500 lbs. davit and inflatable tender**
- **Crew cabin with private head and additional washer and dryer**
- **Incredibly spacious and well organized engine room**
- **Extended swim platform with euro transom steps to aft deck**

Salon

Curved sliding doors, framed in polished stainless steel, give way to a very spacious salon that benefits from a 21'3" beam. Positioned just inside the salon door are matching leather sofas with twin custom built "AJ Original" custom coffee tables which sit on either side of a center line pop up 50" TV and 2 club chairs. Forward a custom "AJ Original" dining table with six chairs along with buffets on either side built with china storage and on the forward bulkhead is a china cabinet which houses a sink, wine chiller and additional china storage.

- Lighted China Cabinet, forward bulkhead with wine chiller, sink and storage, Old Gold Granite Tops surrounding sink
- Custom decorative headliner treatment in salon
- Finished wood bulkheads with high gloss polyester finish in african mahogany
- Carpeting
- Carpet Runners (UPGRADE)
- Whisperwall headliner
- Custom designed decorative wood valance with roman shades & silhouettes in recessed pockets
- Custom columns of African Mahogany, bases custom built
- Welded and polished curved stainless-steel sliding door to aft deck
- Surround sound speakers
- Entertainment center including pop up NEW 50" 4K TV with AM/FM surround sound stereo receiver with DVD/CD player
- Icemaker
- Wine Chiller (UPGRADE)
- Fixed frameless windows with tinted safety glass
- Telephone outlet
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Twin leather Custom sofa with storage (UPGRADE)
- Throw pillows
- Chilled water Air conditioning dispersed through decorative valances, port and starboard
- Twin Matching AJ Original custom-built high gloss Coffee Tables (UPGRADE)

- End Tables, AJ Original (UPGRADE)
- Buffet with china storage, tops are Granite Old Gold (UPGRADE)
- Custom AJ Originals Dining table with six chairs (UPGRADE)
- Custom soffit over dining table
- Side buffets on either side of the dining table with upgraded Old Gold granite tops and custom-built china storage

Galley - Country Kitchen

The country kitchen includes granite Old Gold countertops and backsplashes. The flooring is AMTICO and is a custom weaved pattern. Appliances include a subzero, stainless steel, full height refrigerator/freezer, full size oven, microwave convection oven, dishwasher, trash compactor, and four burner ceramic cooktop. Forward is a u-shaped, Old Gold granite dining table. To port and starboard, there are pantograph doors leading to the outside for easy access to the bow.

- Finished wood bulkheads with high gloss polyester finish in African mahogany
- Whisperwall headliner
- Fixed frameless windows with tinted safety glass
- Amtico floor basket weave floor design, mahogany light cherry with French navy accent squares
- Old Gold Granite countertops and backsplash with stainless sinks and storage cabinets made of finished wood
- Stainless Steel, SubZero Model 685 upright AC refrigerator with freezer and icemaker
- New 2020 - Viking Range
- New 2020 - Viking Microwave/convection oven
- New 2020 - Viking Oven
- 1/2 hp continuous feed garbage disposal
- Telephone outlet
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Dishwasher
- Audio system control, LCD keypad and a pair of speakers
- Trash compactor
- SMX HVAC compartment controlled
- Port and Starboard Pantograph doors
- U-shaped Galley with upper cabinets, and Flat Screen 20" TV mounted facing dinette

Aft Deck

Molded in steps with teak lead up from the aft deck and down from the flybridge. The aft deck provides for built in seating with sunbrella cushions and twin, hi-low teak tables

for dining. Additional seating is provided around the teak tables with chairs. For safety, stainless steel gates provide protection to the lower twin stairwells. To starboard you'll find a door from the aft deck provides easy access to the crew staterooms and a second access is found through the transom. Removable, customized hoop rails were built around the swim platform, and additional 100 AMP and 50 AMP retractable shore cords were added to the aft bustle. The swim platform provides access to a hot/cold shower as well as quick disconnects for the salt and freshwater washdown.

Swim Platform

- Molded fiberglass with nonskid sole with Teak Decks
- Freshwater wash down outlet with hose connection and Hatteras patented quick disconnect
- Welded and polished 316L removable stainless steel hoop rails (UPGRADE)
- Handheld hot/cold cockpit shower with cover
- Molded in fiberglass steps with DC lights to aft deck
- Popup cleats (2)
- Boarding ladder, centerline
- Weathertight Pacific Coast door to crew's quarters and engine room
- Teak swim platform sole (UPGRADE)
- Additional Water Inlet added aft (UPGRADE)

Aft Deck

- AC duplex outlet
- AC lighting in hardtop
- Dual molded fiberglass steps, port and starboard, to swim platform with lights
- Molded fiberglass steps to flybridge, with UPGRADED Teak Treads
- Welded and polished 316L stainless steel gates
- Molded fiberglass with nonskid sole, decks and steps to flybridge and swim platform, with UPGRADED Teak Treads
- Curved polished stainless-steel sliding door to salon
- Audio system control, LCD keypad and a pair of speakers
- Hardtop
- Molded lounge with vinyl covered Polyfoam cushions and storage underneath, with cover
- Door with stairwell to crew's quarters/engine room
- Twin Aft deck Hi/Lo AJ Original teak tables with covers (UPGRADE)
- Steps to side decks, port and starboard
- Teak Chairs (UPGRADE)
- Teak on the aft deck and the stairs leading to the swim platform and up to the flybridge (UPGRADE)
- (2) Molded flood lights in overhang
- Custom aft deck wet bar with refrigerator (UPGRADE)
- Drop down mini controls, near aft deck Bar (UPGRADE)

Day Head

The day head is easily accessed off the salon.

- Old Gold Granite Countertops and backsplash
- Custom Vinyl Wallcovering
- Plexi Mirror overhead (UPGRADE)
- UPGRADED Glass mirror in lieu of plexiglass on the forward Bulkhead
- Integral sink and storage cabinet
- Headhunter freshwater toilet
- Recirculating fan
- AC and DC light fixtures
- AC Duplex outlets
- Air conditioning vent

Lower Forward Companionway

A single stairwell from the salon flows to the master and three guest quarters forward, while a separate accessible stairway is conveniently located off of the aft deck for crew and engine room access, for safety while underway. Forward, you'll enjoy a full-size washer/dryer hidden behind arched sketch face doors, as well as a small coffee bar at the base of the stairs.

- Carpet
- Whisper wall headliner
- Padded panel wall covering with African Mahogany molding (UPGRADE)
- Washer/dryer
- DC light fixtures
- Lighted stairway to upper deck
- Carpet Runners (UPGRADE)
- Arched sketch faced passage doors with door stops to master and guest staterooms
- Cedar lined linen storage locker
- Coffee bar with Old Gold granite top (UPGRADE)

Master Stateroom

The crown jewel of the 80 Motor Yacht is the fullwidth master stateroom with six oversized portlights, which allow natural light into the area. The combination of spaciousness, natural light and water level view will stun anyone who enters the room. The master stateroom features a king size berth with coil spring mattress and cedar lined storage beneath. Arched sketch face doorways and beautiful curved cabinetry dress the area. His and her cedar lined lockers as well as dressers and nightstands provide an abundance of storage and for entertaining a 37" TV with surround sound finishes the area nicely.

- Whisperwall padded panel bulkheads
- Finished wood bulkheads with high gloss polyester finish in African mahogany
- Carpeting
- Whisperwall headliner
- Upholstered berth base
- Decorative wood valance with fixed Roman shade and duettes
- King-sized berth with upholstered headboard and cedar lined storage underneath, accessed via pneumatic cylinders
- HMC coil spring mattress, spread, throw pillows, pillows, pillow shams
- (3) each port & starboard portlights with (2) each opening on either side (UPGRADE)
- Bowed front nightstands with drawers
- Bowed front built-in dressers, port and starboard
- 37" Plasma TV (UPGRADE)
- AM/FM audio access with local DVD/CD changer
- speakers
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Telephone outlet
- Arched sketch-faced interior passageway door to head
- Arched sketch-faced doors, with door stop, to companionway Full-length mirror
- Smoke detector
- DC low-level lights
- Safe
- Twin cedar-lined wardrobes with arched passage doors and automatic lights
- SMX HVAC compartment controlled

Master His and Her Head

The master his and her head features Blue Pearl stone countertops, backsplashes, Key stone floors with an oversized tiled shower with frameless doors.

- Blue Pearl Stone countertops, backsplashes
- 12x12" White Thassos with 2" accent keys of Blue Pearl, Flooring
- 12x12" White Thassos shower tiles with Blue Pearl Bench seat
- Custom wallcovering
- Plexi mirror overhead (UPGRADE)
- Integral sink and storage cabinets
- Full Glass Mirror, across entire aft bulkhead (UPGRADE)
- Granite shower with frameless doors
- Towel bars
- Headhunter freshwater toilets
- Recirculating fans

- AC and DC light fixtures
- AC duplex outlets
- Air conditioning vents
- Holding tank 3/4 full indicator light

Bow Guest Stateroom

The Bow is one of three guest staterooms forward each with their own private head. The stateroom provides for a walk-around queen berth with cedar lined storage accessed by gas assisted cylinders beneath. Comfort abounds with a custom-built coil spring mattress. You'll find plenty of storage in the cedar lined lockers, port and starboard as well as hull side blanket lockers.

- Carpeting
- Whisperwall padded panels on hull side
- Whisperwall headliner
- Whisperwall padded bulkheads
- Queen-sized tapered berth with upholstered headboard and cedar-lined storage with drawer underneath accessed via pneumatic cylinders
- Upholstered berth base
- HMC coil spring mattress, spread, throw pillows, pillows, pillow shams
- Full-length mirror
- Nightstands, port and starboard
- Mirrored forward bulkhead
- Carbon monoxide detector
- Cedar-lined hanging locker with arched door and automatic light, port and starboard
- Screened overhead hatch with privacy cover
- AM/FM audio access with local DVD/CD changer
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Access to port head
- 20" TV with MATV outlet
- Overhead storage cabinets, port and starboard
- Smoke detector
- DC low-level lights under berth
- Steps to bow stateroom with DC low-level lights
- Telephone outlet
- Arched sketch-faced passage door
- Stereo speakers
- Fluted wood valance with air conditioning dispersed through soffits, port and starboard
- SMX HVAC compartment controlled
- Private head with granite countertops and Amtico floors

Port VIP Stateroom

The port stateroom features a queen walk around berth with hinged cedar line storage below. Additional storage is provided by a cedar lined hanging locker as well as hull side cabinet aft and outboard. Each of the staterooms features access to their own private head.

- Padded bulkheads
- Carpeting
- Whisperwall headliner
- Fluted wood valance with fixed Roman shade and duet with air conditioning dispersed through soffits
- Queen walk around berth with upholstered headboard and storage underneath
- Upholstered berth base
- HMC coil spring mattress, spread, throw pillows, pillow shams, pillows
- Ventilating portlight with screen
- Cedar-lined hanging locker with arched doors and automatic light
- Nightstands with drawers
- Full-length mirror
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- AM/FM audio access with local DVD/CD changer
- Telephone outlet
- Private access to head by arched door
- 20" TV with MATV outlet
- Smoke detector
- Mirrored aft bulkhead
- Speakers
- SMX HVAC compartment controlled
- Carbon monoxide detector

Starboard Stateroom

Unique to "Second Generation" is the starboard stateroom featuring a double berth instead of twins. Inboard you'll find a dresser with flat screen TV and it's own private head, along with hull side cabinetry.

- Whisperwall padded bulkheads
- Carpeting
- Whisperwall headliner
- Double berth to the hull side (UPGRADE)
- Upper hull side cabinetry
- Polyfoam mattresses, spreads, throw pillows, pillows, pillow shams
- Upholstered berth base

- Cedar lined hanging locker with automatic light
- Full-length mirror
- Audio system control, LCD keypad and a pair of Boston Acoustics loudspeakers
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Private access to head
- Smoke detector
- Carbon monoxide detector
- Sketch-faced door to stateroom
- DC low-level lights under berth
- Telephone outlet
- Dresser
- SMX HVAC compartment controlled
- Private access to head
- 20" LCD TV

Guest Heads, Bow, Port and Starboard

Each suite has its own private head which features full shower, granite countertops, key stone flooring and freshwater heads.

- Each head features Old Gold Granite countertops with integral sink
- African Mahogany lower cabinetry
- 12x12" Thassos white tiles with old gold key stones, Flooring
- Full height showers
- Plexi mirror over head (UPGRADE)
- Towel Bars
- Holding tank 3/4 full indicator light
- AC and DC light fixtures
- AC Duplex outlets
- Air conditioning vents
- Recirculating fan
- Headhunter freshwater toilet

Crew Quarters

The crew area is accessed via a transom door, or through a stairwell off the aft deck or through the swim platform door. The cabin has a queen island berth, private head with stall shower and a small galley with settee and additional washer/dryer.

- Carpeting
- Padded vinyl covering on hull side
- Vinyl headliner
- Queen island berth

- Padded berth base
- Polyfoam mattress, spread, pillow, pillow shams
- Cedar-lined hanging locker with doors and automatic light
- Full-length mirror
- Telephone outlets, port and starboard
- TV
- AM/FM audio access with local DVD/CD changer
- Boston Acoustics loudspeakers
- AC and DC light fixtures
- AC duplex outlets
- Curved stairwell from aft deck
- Watertight door from swim platform
- SMX HVAC compartment controlled
- Port dinette (UPGRADE)
- Under counter washer/dryer (UPGRADE)

Sky Lounge

The Sky Lounge has a large console featuring a full array of electronics with twin helm chairs. Aft you'll find a U-shaped sitting area with Old Gold granite table elevated for viewing, just aft of the helm area. To starboard another L-shaped lounge with fixed Old Gold granite table directly in front easily viewing the entertainment area directly across. The entertainment cabinetry is a u-shaped bar area with pop up NEW 4K TV outboard with a separate icemaker and refrigerator. On the boat deck, a 1500 lb fully hydraulic telescoping unit with a 20" boom allows easy access for the toys.

- Molded fiberglass bridge
- Custom built Welded and polished 316L stainless-steel rails and stanchions
- Starboard L-shaped lounge
- Old Gold Stone table with stainless-steel pedestals
- L-shaped raised seating aft of the helm with Old Gold Stone table
- Custom Basket weaved amtico floor under helm chairs and carpet throughout
- Twin helm chairs
- Forward control station with all necessary switches, single-lever electric clutch and throttle controls, synchronizer, backup controls, power assisted steering, compass and electronic console
- U Shaped Bar with sink, refrigerator, icemaker and bottle and glass storage
- Pop Up NEW 4K TV
- AM FM stereo with radio access with local DVD/CD changer
- Speakers
- Custom SS Double Door to boat Deck (UPGRADE)
- PC Monitor
- Custom radar mast with spreader lights (UPGRADE)

Boat Deck

- 1500 lb fully hydraulic davit
- Stainless Steel hoop railing around boat deck (UPGRADE)
- U Shaped fiberglass lounge with Sunbrella cushions surrounding solid surface table with stainless steel pedestals and cover
- (2) Gaggenau Grill
- Hatch access to hardtop with access ladder (UPGRADE)
- Access stairwell to aft deck with hatch, with upgraded teak Steps
- Port & Starboard wing station controls

Sky Lounge Helm Electronics

- NEW Garmin Touch Screen Chartplotter
- FLIR Night Vision Camera integrated with the New Garmin
- North star 952XD gps plotter
- (2) Icom VHF radios with remote mikes
- (2) Acr R100 remote spotlights
- Simrad AP25 autopilot
- Furuno NavNet black box sounder
- Furuno NavNet black box radar with 6' open array antenna
- Furuno depth log
- Furuno sea temp
- Sat TV

Exterior Finish/Construction

- Isophthalic gelcoat, exterior layer, white
- Blister-resistant vinylester resin in hull bottom skin coat
- Hull and superstructure, polyurethane coating, Matterhorn white
- Polymer/copper-based antifouling bottom paint
- Boot stripe, polyurethane coating, Black
- Decks, nonskid surface, polyurethane paint with polymeric beads
- Solid fiberglass hull bottom
- Hull sides and superstructure laminated with PVC foam core
- Fiberglass stringers
- Steel laminated in stringers at key locations to bolt engine mounts
- Engine room bulkheads and decks of resin-infused composite construction using PVC foam core with layers of fiberglass laminate on each side

Engine Compartment & Bilge

The engine room provides for easy access to equipment and a forced air induction system draws cooling air for the engine room from the flybridge, reducing saltwater intrusion into the engine room.

- (2) CAT C32 1650 hp - Port approximate hours 3175 March 2020 - Stbd approximate hours 3169 March 2020

- (2) Onan 27.5 kw - Port approximate hours 3464 March 2020 - Stbd approximate hours 3338 March 2020
- Water manifold blocks with centralized shutoff valve for sinks and showers
- Pultruded fiberglass rudder shelf with stainless-steel rudder tie bar
- AC fluorescent lights
- DC lights
- DC exhaust blower
- UPGRADED 1200 GPD water maker
- Twin diesel, freshwater cooled main engines with electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers
- FM200 fixed fire extinguishing system for engine/generator compartment with automatic and remote manual controls plus audible and visual discharge signals
- Two AC ventilation fans
- Two 27.5kW freshwater-cooled Electronic Quiet Diesel Onan generators with shock mounts, sound enclosure, remote start, seawater strainer, fuel/water separator, hour meter, and water lift muffler
- Variable speed air induction fans with duct to flybridge for engine combustion air, two 21 vane axial fan pressure and temperature controlled
- Polyethylene water lines
- Electric fuel transfer system with filtration and dry tank protection for pump (2)
- Freshwater fill hose for engines and generator
- AC compressed air system with airline and regulator
- Dockside water inlets with pressure regulating valve, automatic dockside tank fill and Hatteras patented quick disconnect
- 24volt DC bilge and sump pumps
- Bronze/chrome ball valves through bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout
- 230volt AC freshwater pump, with pressure tanks located in strategic areas and central charcoal filter with back-flush capabilities
- U.L. Marine listed fiberglass fuel tanks constructed with fire retardant resin and bronze fittings, and coated with fire retardant paint
- Fiberglass water tanks, constructed with bronze fittings and materials which comply with the requirements of Title 21 for food and drugs
- Sewage holding tank with 230volt AC sewage pump, plumbed for dockside pump out with 3/4 full display and alarm as part of systems monitor
- 110 volt AC oil changing system for engines, generators and gears with Hatteras patented quick disconnect
- U.L. Marine listed fuel filter/water separator, generators
- Sealed shower sump
- U.L. Marine listed duplex fuel filters/water separators with bypass manifold, engines
- Electric fuel priming pumps, 24volt DC, engines
- Welded and polished 316L stainless-steel overhead grab rails

- AC distribution panels
- DC distribution panels
- Discharge sea chests, stainless steel steering tie bar with pivoting self aligning ball joint connection at all cylinder and tie bar connections
- Insulation in deck
- Gray water tanks, (2) plumbed, 126 gallons each, with 230volt AC sewage pump, plumbed for dockside pump out with 3/4 full display and alarm as part of systems monitor
- Air conditioning compressors, chilled water, (2) four-ton
- Pickup sea chests neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers
- Spare fresh water pump (UPGRADE)
- Spare Fuel transfer pump (UPGRADE)

Hardware & Miscellaneous

Key features to Hatteras brand include: stanchions and cleats are through bolted to aluminum backing plates that are encapsulated into solid fiberglass sections of the superstructure. Molded fiberglass UL approved tanks are placed between the stringers and glassed in place. All fuel tanks are constructed with a fire-retardant resin, and exposed surfaces are coated with a fire retardant intumescent paint. Bulkheads and stringers are fully tabbed into the hull itself and the stringer system is built of a closed cell polyurethane foam to provide for stiff longitudinal support with no fear of water intrusion.

- Finished wood bulkheads with high-gloss polyester finish in African Mahogany
- All hardware chrome on brass or welded and polished stainless-steel
- Swim platform with welded and polished stainless-steel boarding ladder
- Welded and polished stainless-steel anchor chute and roller
- 110-pound plow anchor, anchor line and deck hawse pipe
- Windlass, 4,000-pound hydraulic with 300 feet of stainless steel chain with deck-mounted control switches
- Integrated hydraulic digital thruster/ stabilizer system
- Six polished stainless-steel spring line cleats with chafing strips, through bolted in aluminum backing plates
- Bow and stern polished stainless-steel cleats, through bolted in aluminum backing plates
- Polished 1 1/4 stainless-steel rails on bow, side deck and flybridge, drilled and tapped in aluminum backing plates
- Boarding gates, port and starboard side decks
- Remote controlled searchlights, (2) on hard top (UPGRADE)
- UPGRADED hoop rails on the swim platform and boat deck
- Fog bell
- Dual air horns
- Bow sun pad (UPGRADE)

- Alloy 22 high strength propeller shafts
- Manganese bronze dripless shaft and rudder seals
- Stainless-steel trim tabs
- Manganese bronze struts and Alloy 22 high strength shaft with zincs
- Stainless-steel rudders
- Nibral high performance propellers
- MarQuipt Tide Ride eight step sea stairs with storage brackets
- Central vacuum
- 1500-pound davit
- Holding tank with sewage pump and overboard discharge
- Freshwater wash down, bow, with Hatteras patented quick disconnect
- Fender tracks
- Deck plates for fuel and water fills and waste pump out
- Heavy-duty bronze engine couplings
- Engine and generator exhaust exits through hull side near transom
- Generator exhaust, water separator
- Rope locker storage hatch, bow deck
- Deep storage port and starboard, bow trunk
- Pacific Coast door to crews quarters from swim platform
- Dual air horns

Electrical

Hatteras is known for their attention to detail, and wiring is one of their strongest points. All wiring is tin-coated and sealed in an insulation jacket. Wiring harnesses are tie wrapped every 6 inches and secured every 18 inches with easy access. Wiring is color coded and numbered at both terminal ends, and is well documented in the owner's manual. Go one step further to find their attention to detail in placement of dual light switches on both ends of the salon and companionway for convenience. In addition, this boat has a chilled water air conditioning system that saves on electric. This Hatteras has an added 100 amp and 50 amp cord on the aft bussel in addition to the standard cords forward.

- Water heaters, one 30gallon and one 20-gallon midship, and one 6 gallons aft for crew
- Two 24-volt banks of heavy duty, 12 volt marine batteries (4) mounted in fire retardant fiberglass boxes
- U.L. 1426 listed boat cable, tin coated with insulation
- Gel/lead acid compatible 240volt automatic programmable battery charger, 50/60Hz
- Automatic battery paralleling system with switch at control console
- Two 100-amp transformer connected retractable shore cords covered by hatch, forward,
- AC and DC light fixtures
- Battery control panels with fuses and isolation switches

- DC electronics panels with magnetic circuit breakers
- AC distribution panels with magnetic circuit breakers
- AC switching panel with source selector switches, digital volt meter, ammeter, frequency meter, generator start/stop controls, voltage boost tap switch and interlock selector breakers
- Navigation lights, U.L. certified to United States Coast Guard and ABYC specifications
- Ground fault protection on AC receptacles and lighting circuits
- Chilled water air conditioning with reverse cycle heating, with soft starting AC compressors, automatically staged and individually controlled with SMX controls in each compartment
- SSB radio ground screen laminated in cabin top
- Telephone/CATV inlet, one each, forward
- Telephone and CATV shoreline cord, one each
- TV antenna, omni-directional
- Remote shore power control (UPGRADE)
- 100 amp & 50 amp retractable cord in bustle UPGRADE
