SPECIFICATIONS

Overview

The Hunter 29.5 has been designed to be comfortable, easy to sail, and to have style. The Hunter 29.5 is built to the high level of Hunter standards approved by the NMMA (National Marine Manufacturers Association), manufactured with strict standards of structural integrity in mind. Sail design incorporates a large-roach, fully-battened mainsail along with a small roller furling jib for easy sail-handling. Swept back spreaders and outboard shrouds allow superior strength and eliminates the need for a backstay. For easy sail-handling, the boat comes with self-tailing winches, line organizers and triple rope clutches. The slippery but stable hull design incorporates a bulb wing keel and spade rudder. The cockpit provides great control, visibility and is a prime location when entertaining. Below deck are all the amenities that Hunter is famous for. Two double berths, a huge dinette, full galley and enclosed head with shower, all trimmed in rich fabrics and warm teak. Race, cruise, entertain, and do them all well. The Hunter 29.5 is the perfect combination of performance and comfort. Sans Souci has been incredibly well maintained and it shows! 2017: New furler, new uhf radio, new faucets in the galley and head, rigging tuned 2018: New exhaust, new batteries (2), lazy jacks redone, new water pressure pump, new hatch in the salon, new hot water tank 2019: New sail cover, new am/fm cd radio, new reef lines, new hatch in the V berth Replace sole in salon and kitchen area
