Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3412

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Remarks and Construction

- Designed by the highly respected Ed Monk, Jr. DUN DIGGIN's hull was constructed by
- Nordlund of proven and conventional fiberglass/Airex sandwich construction. The boat was finished out by McQueen's Boat Works.

Remarks

- DUN DIGGIN was purchased by the current family over 25 years ago and has cruised the west
- coast from Alaska to Mexico. In addition to being a very comfortable boat at sea, she is economical to operate in both running cost and routine maintenance. Due to her interior's large
- volume, layout and large windows, owners and guests are comfortable spending lengthy periods of time on board.

Walk Through

- 4 guest cabins that sleep 8 guests plus 2 crew cabins that sleep 2. Step up from the cockpit to the large enclosed aft deck then through a sliding door into the main salon and dining area forward.
- Next to Port is the large enclosed galley. All the way forward on the main deck is the lounge with port and starboard doors to the walk around side decks.
- Two guest cabins are below deck forward accessed by stairs in the forward lounge. The third guest cabin and master accessed via a staircase in the salon.
- The upper deck is accessible by stairs at forward lounge.
- The upper deck accommodates the pilothouse with port and starboard doors to the Portuguese bridge, the captain's cabin and upper deck. From the cockpit there is access to the crew cabins and the engine room.

Aft Deck

- Fully enclosed with sliding side windows and wing doors to walk around side deck
- Circular table with 6 Raritan chairs at the table
- 2 Raritan chairs
- Cabinetry with built in icemaker
- Sliding door into salon

- Teak deck

-

Salon
