Обзор

Built in 2001 by Delta Marine, MY Seanna (originally Gallant Lady then Newvida) was designed to entertain. In 2014 she underwent an extensive refit by Rybovich, the premiere refit facility in the USA. After the refit she emerged as one of the most popular charter boats in the world, cruising in the Mediterranean, the Caribbean, South Pacific, and the Bahamas. The boat was made even more popular by the Bravo series "Below Deck," appearing in three seasons. MY Seanna is one of the few yachts on the market with six staterooms. Spectacular sun decks, beach club, and a host of other features and amenities. Currently she is back in Fort Lauderdale undergoing improvements, including but definitely not limited to, complete engine and generator rebuilds.

Overall MY Seanna is a proven world cruiser with an outstanding charter reputation. A great boat to make your own or share with the charter community around the world.

Our latest refit in 2020 was a six month 5 million dollar project with one goal in mind. The owner wanting to sell the boat realized that he had to fix everything that would affect us negatively on a survey. Here is a brief list below.

- Main engine rebuild x2: 364 hours on the mains since the rebuild.
- Generator rebuild x2: 949 hours on the gens since the rebuild.
- Complete through hull valve replacement
- Sea chest rebuild
- Stabilizer overhaul
- AC chiller plant rebuild
- Over \$450,000.00 in Paint and polishing
- Teak deck repair and sanding
- New Bottom paint
- New rescue tender
- 2x new Jetskis.
- 2x new seabobs
- New Exterior cushions

Works currently underway:

- AC individual air handler re-insulation
- AC individual air handler drip pan overhauls on several units
- Air ducts are being replaced
- Black and gray water system overhaul.

Other great points:

- Vessel completed full class and flag and surveys with no deficiencies.
- She was recently appraised by Bank of America for \$23,000,000.00

- This year to date we have done 1.5 million USD in charter revenue.
- The boat is a great boat to entertain and has been granted dispensations for parties of up to 160 POB. That's *cruising* inland with 160 POB!

These are the broad strokes please let me know if I you need anything else. Please note the on the GA the jetskis are in the beach club. They are now on the bow. This does two things, it frees the beach club up or it allows the boat to carry five skis.

Galley

MY Seanna was originally built for hosting large parties and has a galley that reflects this. Chefs who have worked on MY Seanna love this galley which is a dream to work in. Plenty of space, the latest and best equipment with a panoramic view!

Accommodations

In 2014 MY Seanna was extended and refitted. Part of this \$15,000,000.00 overhaul and face lift was the addition of a sixth stateroom. The VIP suite is on the uppermost deck with amazing views. Just walk out the back of your suite and you are on the top sundeck walk one more level up and you are on your own private sun area in the "crows nest". The Owners suite is a full beam master with enough closet space for the even the heaviest of shoppers. His and Her bathrooms with a walk in shower and large tub. A state of the art entertainment system make this owners suite a great place to relax and watch movies. The other four suites are beautifully appointed with all the amenities and large windows. The Starboard cabins have one King bed each while the port cabins have two Queen beds. Great for children, nannies or stowaways!

Beach Club

The Beach Club of MY Seanna serves a dual purpose of storage for toys and yet another space for entertaining or relaxing.
