SPECIFICATIONS

Overview

ROSEY is a custom built 2014 CdM Nauta Air 86 which comfortably sleeps 8 guests in 4 staterooms plus 3 additional crew cabins sleeping up to 4 crew.

ROSEY is unique in that she has a top speed of 16 knots yet at 9 knots has a range of 3,900nm which is extremely rare for a yacht in the 90ft range.

Both her hull & superstructure are aluminum and her semi-displacement hull gives her this wide range of performance. Truly an innovative design.

In 2016 ROSEY completed a complete interior refit with new decor and upgraded layout. She has been privately owned so limited use is apparent with the fact she has only 2600 original hours which is low for a 2014 yacht with a range of almost 4,000nm.
