#### PRELIMINARY LISTING!

35' NO NAME 2000 Tiara 3500 Open Cruiser Motor Yacht

Manufacturer provided description:

Few domestic builders can match Tiara's reputation for engineering and quality, and fewer still exceed the company when it comes to timeless design. The 3500 open is a case in point: hardly revolutionary in concept, she's a beautifully crafted express cruiser whose classic styling has held up well over the years. Built on a modified V-hull with a wide 13'3" beam, prop pockets reduce draft and shaft angles. Primarily a cruising boat, the large cockpit of the 3500 open provides an excellent platform for fishing as well. A transom door, wet bar, and in-deck fish box are standard, and the entire bridge deck rises on hydraulic ram for access to the motors. Belowdecks, the spacious single-stateroom interior of the 3500 open can only be described as lush, with handcrafted teak joinery, leather upholstery, and a full teak-and-holly cabin sole. Additional features include an L-shaped lounge opposite the helm, aft-facing cockpit seats, an electric windshield vent, an integral swim platform, and a bow pulpit. 370hp Cummins diesels let this vessel cruise at 25-26 knots.
