# DETAILED INFORMATION

---

## Details and Features

---

### General: Layout / Description

Lady G is a 3 Stateroom, 2 head layout with a LARGE aft lazette (laundry/tool room). The king master is located mid-ship, the queen VIP is forward, the bunk room to port, and shared head to starboard.

Her interior is highlighted by her country kitchen located midship that is a chef's dream!!! The whole lower galley/dining area and the upper grill/dining area are located just behind the helm stations which allows the Captain to be part of any meals and gatherings no matter where they're located.

She had all her teak decking replaced in 2018, in addition to a complete interior/exterior soft goods refit to include all the carpet, upholstery, and even the covers in 2019. In February 2020, she had the full 1,000-hour service ahead of schedule to include the often forgotten transmissions and coolers.

I invite you to come aboard and discover what fewer than 1% of all boats floating today get to experience; a true yachtsman of an owner that maintains it like the "book" says it should be. You too will agree that, for a 13-year boat, Lady G is special and impresses even the most discerning buyers.

### Galley

- Stove / Oven, GE Profile 4 burner, stainless steel
- Refrigerator, Sub Zero 700TC frig/freezer
- Microwave, GE Profile w/fan, and counter light
- Dishwasher, GE Quiet Power II
