Overview

Unique Opportunity Significantly Upgraded - Diesel Power 1999 Cruisers Yachts 3870 Esprit Cruiser Caterpillar 3116 350HP - Generator A long List of Upgrades

THAT'S IT is a 1999 Cruisers Yachts 3870 Esprit acquired four years ago by a retired member of the Canadian military. With his extensive mechanical skills, knowledge and tools the owner set out to acquire a cruising yacht in need of a lot of love. The goal was to refresh and upgrade the boat so he could safely cruise the south Florida, the islands and beyond allowing him to enjoy the good life. Over \$40,000 in parts and services (most labor performed by the owner) was invested to make the boat what it is today.

Unfortunately recent medical issues forced the owner to reassess his boating plans coming to the conclusion it is time for him to let the boat go.

THAT'S IT is new to the market and ready for a knowledgeable boater to take the helm. From a practical point of view the boat is ready to cruise. A recent (12/2019) buyers survey is available.

Partial list of Upgrades and Services

- Raw Water Pump - Port (2016) Starboard (2018)
- Alternator Starboard - Replace (2016)
- Engines Rebuilt Port (2017) Starboard (2018) Engine hours = Port 100 Starboard 55

- Radio System, Amplifier, Speakers and Sub Woofer 450 Watt (Fusion) (2018)

Receipts and details available for inspection.

About the 1999 Cruisers YACHTS 3870:

The Cruisers Yachts 3870 Esprit offers an innovative interior with a floorplan that includes a midstateroom with a standup dressing area, built-in TV, and private head with shower.

The wide-open salon includes a convertible sofa/dinette and full-service galley with all the amenities. A draw curtain separates the forward island berth from the main cabin, while a bulkhead door ensures privacy in the aft stateroom. Notably, the main head contains a separate stall shower.

Topside accommodations include an L-shaped lounge opposite the helm, a U-shaped seating area aft and a built-in wet bar to port. A hatch in the cockpit sole provides access to the engine compartment and the swim platform is designed to support a personal watercraft.

THAT'S IT is docked in Hollywood Florida and shown by appointment.

- Sea Water Strainers
- Spotlight - Remote Control 175,000 Candlepower
- Swim Platform
- Washdown System Cockpit
- Windlass w/Remote Control w/Foredeck Foot Switch
- Windshield Stainless Steel Frame
- VHF Marine Radio

Manufacturer Provided Description:

The information below was created by the Cruisers Yachts Inc. The Cruisers 3870 Esprit offers a departure from traditional midcabin "cave" layouts, providing the same second cabin accommodations as their 4270 Esprit, and a wide-open layout rivaling most aft cabin motoryachts.

The 3870 has accommodations to sleep six comfortably. The forward stateroom features a queen-sized island berth and ample storage for cruising. The second cabin's twin double berths can be converted to a king-size bed with the addition of a self-storing filler cushion. This cabin is accompanied by a private head and changing area with full-standing head-room, located behind a bulkhead door.

The salon includes a convertible dinette - double berth with crescent-shaped leatherette seating and dining table. The galley has all the amenities, including a large refrigerator and freezer, a microwave oven, and a double-burner electric stove. The salon provides plenty of natural lighting to provide an open, airy feel. An added convenience, the main head offers a separate stand-up shower with full headroom.

The 3870 features a large cockpit with removable wrap-around rear seat, well appointed wet bar and a swim platform to accommodate all the water toys.

The Cruiser Yachts 3870 Esprit is ideal for those interested in express performance and quality interior accommodations.
