Bluegame 62

The larger of the Bluegame Sport Utility range enriches in many different areas the smaller model features. With a length of 18.80 metres and a width of 5,38 metres, Bluegame 62 was conceived from the desire to combine large comfortable areas with the traditional seaworthiness of all Bluegame, allowing its owner, with the help of the IPS joystick, total freedom without the need of crew. The central part of the stern platform is lowering to launch and board a 12' tender.

CONSTRUCTION Moulded fiberglass construction Sandwich core construction on side hull Sandwich structural bulkheads vacuum bagged Deck and coach roof made in sandwich infusion technology with vinylester resin DECK Twin fiberglass doors covering anchor system Anchor 30KG S/S Bruce Custom design bow roller S/S Galvanized chain 10mm 75m Anchor safety cable Electric Anchor winch 1700w Electric mooring winch 1500w Two S/S fairlead Four stainless steel cleats 350mm Two stainless steel cleats 320mm Fresh water outlet connection Bow double sliding bases with teak table transforming in sun pad Large bow sun pad with cup holders Large stern sun pad openable with electric rams for access to engine room Navigation and anchor lights led system Courtesy lights on walk all round Horn Four Handrails in walkaround Cockpit shower with hot/cold water mixer Double fuel inlets Fresh water inlet Carbon-glass hard top with handrails and ladders with front laminated temperate glass Helm station strataglass enclosure Side glass windows on coach roof with integrated portholes Black water tank drain outlet from shore Front laminated tempered glass with double electric wiper with washer Gaff rack on both sides Access door to central storage and engine room
