## Overview

---

Built by Italian shipyard Sanlorenzo, this SL86 represents an unique opportunity being ready for a prompt delivery.

The Sanlorenzo SL86 is an epitome of innovation and traditional signature of Sanlorenzo yachts. It elegantly combines cutting-edge technologies, surprisingly high level of customization and contemporary minimalistic design. Her elegant and contemporary interiors can accommodate up to eight guests on board over a large owner's suite, two twin cabin and a VIP cabin. As all Sanlorenzo yachts, SL 86 offers generous space and incredible brightness of all internal zones. The foredeck of the yacht is shaded to protect guests from the direct sun rays. The same feature is applied to the extensive flybridge which is equipped with a dining table and a customized light hardtop.

Powered by two MTU engines she has a top speed of 32 knots and a cruising speed of 27 knots.
