MAIN DESCRIPTION

Combining seaworthiness, elegance and comfort, Cynthia Gale has been impeccably-maintained and features numerous upgrades. She's a beautiful example of a Catalina 385 - a celebrated and highly-desired yacht, known for the quality of both its design and construction. Current owner has spared no expense, outfitting Cynthia Gale with everything from a custom teak sole and table in the cockpit, to a full cockpit enclosure, to a motorized adjustable berth and custom mattress in the master stateroom, plus much more.

39' CATALINA WALKTHROUGH

The spray dodger and cockpit enclosure afford immediate protection from the elements as you enter Cynthia Gale from the stern. Both the dodger and cockpit enclosure can also be opened when the weather is fair. The cockpit has ample seating with a custom teak sole and retractable teak table for outdoor dining. As you enter the cabin, you are greeted by an elegant and well-lit salon. The galley is on the starboard side and aft of the salon is the guest stateroom. Forward of the salon is the head and separate shower, which can be entered both from the salon as well as the master stateroom. The master stateroom is forward of the salon.

39' CATALINA SALON

The salon is comfortable and inviting with an L-shaped couch on the port side and comfortable arm chairs to starboard. A folding table provides enough space to easily accommodate a meal for four. A flat-screen TV, which can carry either cable or satellite broadcast, provides entertainment, together with a DVD player, stereo radio and Bose speakers. The teak floor and teak accents throughout the salon add a sense of both warmth and elegance. The salon also includes a desk/nav. station in the aft portion of the salon and cabin storage forward.

39' CATALINA GUEST STATEROOM

The guest stateroom is aft of the salon and feature a comfortable double berth and half-closet. There is both natural lighting and ventilation from multiple portholes as well as a hatch.

39' CATALINA GALLEY

The galley is located to starboard and consists of a refrigerator, a freezer unit, a Seward 2-burner LP stove and oven, an LG microwave oven and a double stainless-steel sink. There is ample closet and counter space.

39' CATALINA HEAD

The head is located on the port side just aft of the master stateroom. It is accessible from either the salon or stateroom and features a Raritan electric head, separate stand-up shower, sink and mirror.

39' CATALINA MASTER STATEROOM

The master stateroom features a custom motorized adjustable queen berth and a custom mattress for maximum comfort. A separate TV is mounted on the wall at the foot of the bed. Other amenities include a wall-mounted vanity mirror and reading lamps on either side of the bed. Storage is found beneath the berth and there is a hatch for added light and ventilation. Like the salon the master stateroom is finished with attractive teak accents.
