SPECIFICATIONS

Overview

PRICE JUST REDUCED BY \$19,000

Comfortina 39 By Comfort Yachts,

The Comfortina 39 brings together elegant design, outstanding performance, and gracious living. built to the highest Swedish standards.

This yacht was shipped to South Africa, from Factory in 2008 and launched in 2009. The first owner from 2008 to 2019. Both owners have maintained the yacht to the highest standards, and boast very light use. Engine hour at 480 hours. And a overall all excellent, if not immaculate condition.

The C39 mediated by its freeboard, its steeper bow and stern and their length / width ratio modern elements of yacht building, leading to dry sailing in rough seas and very much living space below deck.

The underwater hull gives the C39 a sporty look. The deck layout is classic and refined.

The mainsheet is led directly to two self-tailing winches. The helmsman has control space behind a large wheel that makes the sail control from any desired seated position or standing a pleasure.

Genoa and large winches are easy to reach from the steering station, underlining the fun of sailing with a small crew.

The salon is large and cozy. The navigation station and pantry provide perfect space at sea and in port. In the fore and in the portside aft cabin very generous double berth with cupboards and shelves are built.

Through the spacious bathroom and also through the starboard cockpit locker lid in the cockpit leads to the second fully equipped aft cabin that is also often used by smaller crews as large sail load or locker.

Locate in Cape Town South Africa
