### MC52 #3

**Listed price is retail, please call for sale price**

The new Monte Carlo 52 marks the introduction of Beneteau's second generation of high-end luxury yachts. This ultra-modern motor yacht boasts ample living & entertainment areas throughout, incredibly well-used spaces, and an enormous flybridge covered with a retractable hardtop. Aside from her beautiful design by the talented Nuvolari-Lenard duo, she inherits many characteristics inspired from the Italian shipbuilder, Monte Carlo Yachts. Craftsmanship, style, attention to detail, and build qualities of MCY, fused together with Beneteau's modern industrial processes surely helps craft a yacht with a very strong identity.

Her enormous glass salon windows offer a seamless flow of the outdoors right into the salon, and even more so when opening her sliding glass doors between her well-sited aft galley, and cockpit. Her accommodations are generously roomy, but the master cabin which is equipped with a full walk-in wardrobe room, ensuite shower, and breakfast nook, punches well above its weight in comparison to other yachts in her class.
