Overview

GT50 #18

Listed price is retail, please call for sale price

The Gran Turismo 50 is sporty and elegant, marrying driving sensations and lifestyle on board. Beneteau has shaken up the world of sport cruisers with this largest model of the range featuring a planning hull, Volvo IPS 600 engine power, a built-in retractable sun visor in the Hardtop and modular side glazing.

Every new Beneteau comes standard with a 3-year stem to stern warranty and a 7-year structural warranty.

Fuel Capacity: 344 Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo

Engine Type: Inboard

DETAILED INFORMATION

Air Step 2

The Air Step 2 is an evolution and an improvement on the first generation, based on customer experience and Beneteau's in-house research and development.

The basic principle remains the same: a V step with lateral chines for perfect grip when turning.

The step creates an "air cushion" under the hull which reduces drag thus providing better performance and a significant cushioning during passage through choppy waters.

The Air Step 2 in Figures:

- 3 x more air under the underwater portion of the hull thanks to the air inlets placed directly under the hull
- 1.5 knots fast than the GT 44
- 1,500 lbs more aboard and still the same performance. This means more equipment and more comfort for the same performance.
- IPS Compatibility has been endorsed with more than 300 hours of testing in all weather and sea conditions
