DETAILED INFORMATION

Overview

The Meridian 441's two-stateroom, two-head layout provides a gracious master suite forward, with a queen-size island berth. The guest stateroom, which spans the yacht's beam, features a double berth, thoughtfully appointed vanity and settee and plenty of storage. It's wide-open floor plan ensures smooth flow and unbroken lines of sight between the salon, the yacht's dedicated dinette and the full-service galley. It also has a two-tier window system to ensure improved visibility from all these interior areas. An extensive list of features and equipment includes;

- RIB Inflatable dinghy with outboard on a Sea Wise Davit system
- 11.5 Kw Onan Genset
- NorthStar VHF & Depthsounder
- CP500 St Horizon GPS Chartplotter
- Si-TEX Radar
- Total command Joy Stick - Bow and Stern Thruster

and much more.....

Some trades considered. Contact Kent Carbis CYB at 604-515-1980.

- 6 Optima Fibreglass Matt Starting Batteries with 4500 Cranking Amps

Manufacturer Provided Description

In designing the 441 Sedan, Meridian's team of naval architects developed a new hull, deck, bridge and shearline. This design features a more aggressive profile and hull-side windows for the guest stateroom, easier bridge access, better topside accommodations, and more natural light and woodwork in its interior living spaces. The 441's wide-open floor plan ensures smooth flow and unbroken lines of sight between the salon, the yacht's dedicated dinette and the full-service galley. What's more, Meridian has further enhanced its signature integrated two-tier window system to ensure improved visibility from all these interior areas. A lower helm station is available. Plus the 441's impressive two-stateroom, two-head layout provides a gracious master suite, located forward with a queen-size island berth with innerspring pillowtop mattress. The spacious amidship guest stateroom, which spans the yacht's beam, features a double berth, thoughtfully appointed vanity and settee and plenty of storage.
