## Overview

---

### ST35 #105 - on Lake Union in Seattle

#### Listed price is retail, please call for sale price

The Swift Trawler 35 has strong harmonious lines making you feel reassuringly safe, and this quality is repeated in the design and fit out choices. Built on a semi-planing hull developed through the expertise of Beneteau Power, the Swift Trawler 35 has a Cummins 425 hp engine, and together they procure pleasure underway and offer easy maneuvering. Protected by a Bimini, the Swift Trawler 35's flybridge has a comfortable living space with a sea view.

Intended for long cruises, the Swift Trawler 35 offers a spacious interior with ingenious contemporary fittings. The entirely glazed wheelhouse affords a 360° view and creates a pleasant atmosphere. You enter the owner cabin with en-suite shower room and a second cabin with bunk berths, by a gullwing door. There is plenty of space for guests on the Swift Trawler 35. Fitted with a twin sink that converts to a worktop and an extra forward-facing seat, the U-shaped galley offers a convivial living space on board. The sofa-bed in the saloon converts to a comfortable double berth. The teak wood matching the wonderfully easy to clean Efficiency upholstery creates a cozy atmosphere indoors.

#### Hull #105 Features include:

- Webasto Diesel Heating in all cabins, salon and head
- Telescoping Davit System on stern
- Full Aft Enclosure kit
- Onan Cummins Generator
- Carpet in cabins (Removable)
- Raymarine Axiom Electronics (12" screen at lower helm and 9" at upper helm)
- Fabric Upholestry in Salon
- White Hull
- AGM Batteries

**Every new Beneteau comes standard with a 3-year stem to stern warranty and a 7-year structural warranty.**
