# SPECIFICATIONS

---

## Overview

---

Like all Everglades boats, the 320cc sports a number of features unique to the boat or available only as options on competitive models: a fully-integrated hardtop/ windshield combination, windshield wiper with washer, anchor windlass and a security shield for on-board electronics, to name a few. Whether you're fishing or cruising, the roomy head with pump out is a welcome feature as well. First-rate craftsmanship, of course, also comes standard. Finished inside and out, the 320cc features white powder-coated rails and red LED lights throughout the boat for safety. Patented RAMCAP construction process gives you confidence in owning a boat that's genuinely unsinkable. Put simply, the 320cc is unsurpassed as an offshore fishing and boating machine. And that makes it an Everglades through and through.
