SPECIFICATIONS

Overview

Private owner operated vessel, never chartered

Three cabin, Three head w/showers (all electric heads) Owner's layout, Plus captain cabin forward

Large cockpit with twin wheel steering, Electric Fold down swim terrace, full canvas enclosure, Cockpit refrigerator, and more – see full specs

In mast main furling, all electric winches, and more see full specs

Fully air-conditioned w/heat, Generator, Solar panels

Full electronics package, Dual helm stations, and more see full specs

Spacious interior with Full Length Galley, SS full standing refrigerator, and full appliance package, see full specs

Classic cherry interior with large master forward, and (2) guest cabins aft – all en-suite

Several factory option packages make this a unique and well-equipped go-anywhere yacht

Owner comments: This boat is truly ready for sail away. Just bring your swimsuits, summer clothing and snorkel/dive gear and sail to your favorite island.

The best of all worlds is being able to visit some of the most beautiful islands in the world without ever leaving your own “very comfortable accommodations”.

Manufacturer comments: Every aspect of the Jeanneau 54 is all-new and designed to fit the way you live, like no other yacht in her class. Never before seen solutions are found throughout, from the clever VIP interior layout to the spacious living cockpit and the easy and discreet management of the tender and the innovative aft terrace. Every detail and function have been considered to enhance life aboard and the cruising experience.

The Jeanneau 54 is born from the close collaboration of Philippe Briand, who's chined hull and elegant deck profile ensure seaworthy handling and timeless looks, and Andrew Winch's meticulous approach to every ergonomic detail and the selection of high-end materials that echo the look and feel of his super yacht pedigree.

ACCOMMODATIONS

JEANNEAU INDIVIDUAL PACK INCLUDED – PC IVORY

The Jeanneau 54 features a custom Andrew Winch interior design with particular attention to

sight lines, ergonomics of space, and "flow" of the interior. This yacht is the Owner Version 3C/3H layout with the master suite forward featuring a center queen berth with walkways on both sides of the berth and sight lines from the head of the berth out the oversized rectangular hull ports. Aft to port is a VIP Cabin with queen berth, loads of headroom and walkway outboard of the berth. There is a luxurious en-suite head with separate shower in the VIP Cabin as well. Aft to starboard is a 3rd cabin with twin berths and a center filler cushion to convert to a double. A 3rd head is aboard as well for use as a day head or for the twin berth cabin.

MASTER STATEROOM (Forward)

Queen berth with high density foam mattress

Large double hanging locker w/ 4 storage drawers

Seat to either side of berth

2 large storage drawers under berth

LED reading lamps to either side of berth

2 night stands

A/C and Heating vents (vents controllable)

Extra-large sea strainer in main salon area

Plumed for sink; head can be installed.

Large ample storage capacity; doubles as sail locker plus

Step down ladder

Built in hand hold on deck

Securable hatch

VESSEL WALK THROUGH

This vessel has wide side decks and can be accessed through opening lifeline gates Port and Starbd. She can also be accessed from astern with the fold down "Terrace" swim platform deployed.

The cockpit is spacious with her twin steering wheels opening up the entire cockpit for an easy walk through to the companionway

Upon entering the Salon her interior space seems quite large and is bathed by several overhead hatches and large fixed ports to Port and Starbd. The day head is immediately to Starbd of the companionway and also serves the aft double cabin. Her Nav station is to Starbd with a second VIP guest cabin to Port, with en-suite private head and shower.

Forward of the Nav station on the Starbd side is the large dinette with hydraulic lowering table, and seating facing both sides of the table

The popular linear Galley on this model is along the Port side of the salon. The Dinette is separated from the Galley by a fixed semi partition. A Flat Screen TV retracts into the partition when not in use.

This arrangement gives the boat a much larger feel than similar boats with other Salon arrangements.

The Master stateroom is forward of the Salon and contains a centerline Queen berth and private en-suite head and shower.

An additional cabin is accessed from the forward deck and can be an additional guest cabin or crew quarters.

SALON and GALLEY

The Jeanneau 54 Salon and Galley area are simply stunning! Featuring a linear galley with loads of storage space and a raised Salon/ Settee with tons of seating and lounging space.

Salon:

Salon is bright and airy with large side windows and several overhead opening hatches. A large Dinette to Starboard seats 8-10 people with a hi/low table that converts to additional sleeping accommodations. View through hull side ports

A TV retracts into a center storage divider when not in use.

Folding “deluxe” table on telescopic leg (raises and lowers electrically)

Adjoining cocktail table (raises and lowers electrically).

COMPANIONWAY:

Drop down companionway hatch – Vertical hatch slides down when opened

SS handrails to each side of steps

LED indirect and overhead lighting

4 opening low-profile hatches/ shades and screens

2 large fixed ports

Nav station:

Large cushioned Navigation seat- hinged storage compartment under

Chart table w/storage – chart reading light

Galley:

The linear Galley has been a popular option for Beneteau. It allows full use of the Galley by several people at the same time and provides an expansive counter, as well as loads of storage.

Spectra 200c water maker- 10 gal per hr

Corian counter tops

Stainless Steel sinks – (undercounter trash bin and storage area)

Upright SS refrigerator – Front loading) and freezer (bottom drawer pullout)

Gas range and oven with overhead lighted vent; easy access gas safety shut off

Pots and pan storage under range

Swingable lifting pully system for outboard to storage mount (see cockpit gear)

Documentation and Parts

Ample specs and boat operation and layout manuals

Complete documents for all systems

Small quantity of maintenance parts

MFG. COMMENTS

Every aspect of the Jeanneau 54 is all-new and designed to fit the way you live, like no other yacht in her class. Never before seen solutions are found throughout, from the clever VIP interior layout to the spacious living cockpit and the easy and discreet management of the tender and the innovative aft terrace. Every detail and function have been considered to enhance life aboard and the cruising experience.

The Jeanneau 54 is born from the close collaboration of Philippe Briand, whose chined hull and elegant deck profile ensure seaworthy handling and timeless looks, and Andrew Winch's meticulous approach to the interior where every ergonomic detail and the selection of high-end materials echo the look and feel of his super yacht pedigree.

The design goal of the Jeanneau 54 was to not simply build a bigger Sun Odyssey but to incorporate super yacht luxuries in an easy to handle smaller package. The Jeanneau 54 thus has the same features and amenities as the Flagship Jeanneau Yacht 64 and many other luxury / super yachts but at a fraction of the cost! The Jeanneau 54 is designed to provide immense comfort but is also unquestionably a sailor's yacht. Briand's hard chine hull increases performance, speed, stability, and also allows for a roomier interior. The immense cockpit on the Jeanneau 54 accounts for over 40% of the deck area, providing an unprecedented level of space above deck. Below deck is an equally ample amount of space with wide expanses of view through large hull ports and immense deck windows.

OWNER EXCLUSION

AB 10'6" inflatable with aluminum hull (Optionally priced)
