Overview

2012 Four Winns 262SL Volvo Penta 5.7GXI DuoProp 320HP

Four Winns is an innovative boat builder who traces their roots to the 1950's. The 262SL is a good example of their forward thinking. The 262 SL's hull form is dubbed the Stable-Vee SC, for "split chine" because each chine divides in two forward of the helm. The result is a large bow area with comfortable seating.

At speed the chines are kept out of the water allowing the boat to meet wakes and chop with a sharp V-shape. At slow speeds and at rest the design creates extra beam at the waterline along a greater proportion of the boat's length for increased stability.

The SL 262 is a big boat. It's not only beamy, but it also sports waist-deep coamings. Four Winns fills that acreage with amenities, including a fiberglass-lined head with a smoked acrylic skylight and wood cabinetry. The interior boasts hand-fitted, top-stitched upholstery and generous space between seat and wheel. Stowage is ample, an aft facing seat and recessed swim ladder reside on the transom platform.

Other features include an L-lounge that converts to a sun pad and another convertible lounge called the water-sports seat under which a carry-on cooler resides. Four Winns 262 SL's bow area converts to a completely enclosed "playpen."

The boat shows very well and, because it was stored out of the water, there is no bottom paint. Lots of standard and optional equipment included.

Basic Information

Category: Runabout

Sub Category: Bowrider

Model Year: 2012

Year Built: 2011

Country: United States

Dimensions

LOA: 26' 6" (8.08m)

Beam: 8' 6" (2.59m)

Max Draft: 2' 9" (0.84m)

Clearance: 5' 0" (1.52m)

Speed, Capacities and Weight

Displacement: 5400 Pounds

Fuel Capacity: 75 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Volvo Penta

Model: 5.7GXI DP

Engine Type: Inboard

Fuel Type: Gas
