# SPECIFICATIONS

## Overview

The fast & sporty yacht GTM 90 was developed not only to entertain, but also protect guests whatever the weather. The main aft deck and sun deck provide ample space for lounging open air and the beach club, spa, dining area and open-style galley with bar can be transformed with foldable bulwarks to allow a fresh sea breeze in. The striking exterior styling recalls the lines of modern supercars and a super-efficient hard chine hull delivers a top speed of 30+ knots with a range of 800nm at 17 knots. The first edition of the GTM 90 is being developed in collaboration with leading VIP-car tuner Klassen with interior decor that mirrors the design of exclusive Klassen vans with different leathers, rich wood paneling and elegant LED courtesy lights. Klassen will also be responsible for all the exterior detailing, including leather supply, stitching and other special automotive design features
