SPECIFICATIONS

Overview

The Tartan 34-2 is an updated version of the earlier S&S designed Tartan 33R with an extended stern and modified interior. "WIMISY" is one of the 110 Tartan 34-2's designed by Sparkman & Stephens and Tim Jackett, produced between 1984 to 1989. The popular shoal draft model with the "Scheel Keel" draws a modest 4'-5", perfect for tucking into shallow protected anchorages. The Tartan 34-2 was designed to be a comfortable performance cruiser built to Tartan's exacting standards. With plenty of room below for extended cruising and a friendly sail plan, she will surely make your time on the water enjoyable. Very well kept and ready to sail, she comes equipped with:

- Wheel Steering
- Autopilot
- Dodger and Bimini
- GPS, Chartplotter
- Roller Furling Genoa
- Air conditioning
- Refrigeration
- Yanmar Diesel engine
- Simrad Wind, Speed and Depth Instruments
- Asymmetrical spinnaker
- Mainsail with Dutchman System.
