ПОДРОБНОЕ ОПИСАНИЕ

Princess 68

This Princess P68 certainly has many reasons to be one of the most special to be available right now. She is one of the latest nearly new yacht from this renown P68 model from world famous Princess Yacht, and the only one of her kind featuring the new contemporary modern Alba Oak interior complete with custom wooden flooring (with additional Dynamat sound insulation for even extra comfort) and bespoke interior design throughout which is a stylish match to the exterior that has special Oyster grey painted hardtop for an enhanced sports look. Her Caterpillar C18A engines are now much sought after in the market (and no longer available in newer Princess Yachts) and have proven to be reliable and trusted engines which makes personal or more commercial/business-related usage even more ideal. Her very low hours confirm further she is in a “better than new” condition and has always been meticulously kept by her repeated Prince

ss Yacht owner who has upgraded to a bigger Princess Yacht. The boat even comes with a complete set of custom made interior covers throughout for added protection and maintenancefree upkeep. The Princess P68 boasts the largest volume in a yacht of her size and pedigree, with open plan spacious main deck whose multi-functional layout is enhanced further with the aft galley layout that opens to the aft cockpit (which also features a custom ordered table that goes down to form a large lounging area also) to join the main deck into one huge area with separate midship lounging area that is bathed in natural light from the huge panoramic side windows. The separate master suite access provides both privacy and convenience to the owner as well as creating an amazing port side lounging L-shape sofa in the forward which has an incredible commanding view of the entire main deck looking aft which can be used as a great relaxing area or even a comfortable working area. The 3 other lower cabins consist of two twins which can be joined to become a big double port and starboard side, and a forward VIP which again is very spacious and fully ensuite. The theme of great “form follow function” that Princess Yachts is renown for continues through to the exterior and flybridge upper deck where there is ample lounging space well protected from the sun with the huge hardtop as well as exterior sunbathing/lounging area aft. All these are also in complete privacy and away from the helm position where the captain is separately located which make her ideal for social entertainment, charter, or relaxing with guests, although with Princess great helm position and line of sight down to the platform and on the side, the P68 can also equally be a great owner-operator yacht too. The bow area features a best in class walkthrough Portuguese deck with large seating area, a table and spacious sunbathing area which is another magical area of the yacht to enjoy cruising in style and comfort.

Certainly the only of her kind available now in Asia, and in the market worldwide, so please contact us for viewing to fully appreciate her.
