Vessel Walkthrough

Upon entering the helm area from the cockpit you will find a set of Isotherm drawer freezers and refrigerators immediately to starboard with a large countertop above. Immediately to port you will find the microwave, two burner stove top, sink, and dry storage. Just forward and to port is the dinette with seating for 4 and additional dry storage. The lower helm is forward on the starboard side and consists of all navigation/communication equipment. Plenty of air conditioning and a comfortable Lebroc helm chair.

On centerline you will find a companionway that leads down to the guest accommodations. The master is aft on centerline. Queen size bed with plenty of storage. Port forward you will find a cabin with bunk beds for 2. This cabin also has storage for 14 rods/reels. Starboard forward you will find a single berth with rod and tackle storage. Just aft of the starboard cabin is the full head. There is also a wet head that is accessed from the cockpit.
