Overview

\$100,000.00 PRICE REDUCTION

Come Aboard During the Stuart Boat Show at Sunset Bay Marina. Available for Showings Sat. January 16 - Call for other dates and times!

OLYMPIA is hull #5 of this go anywhere, anytime series of personal size Long Range cruising yachts from the venerable builder, Kadey-Krogen. She proved her capabilities “right out of the box” so to speak, on her maiden voyage at the hands of her delivery crew from Stuart, FL, up the East Coast to her new owner. The first week of that trip was quite eventful including pushing through 10 to 12 foot seas throughout the first night, stops in a few harbors and anchorages, some famous and some local knowledge type of places, and sumptuous meals, prepared in the beautifully designed and equipped galley built and equipped to the owner’s specifications. This entire leg of the trip was experienced by an editor from PMY magazine and recounted in a terrific article he wrote and later published in that periodical. (For a copy give us a call) It’s a wonderful narrative of what he experienced as part of the delivery crew during that week and confirmed that OLYMPIA was exactly the boat that the owner had envisioned when purchasing, customizing, and equipping her new 55 Expedition. As is the case with most yachts purchased in this size, class, and style she was the result of someone’s dreams. And OLYMPIA proved to be a dream come true. From her twin John Deere 168 hp diesels in her spotless, white, walk-in engine room to her luxurious, climate controlled, enclosed flybridge deck and helm she is a cruiser’s fantasy. Her warm cherry interior was carefully hand crafted with a fit and finish that will make even the most discerning owner proud. Her rugged exterior appearance belies the beauty and comfort her interior offers. After spending a day of cruising at her large comfortable helm, captain and crew can adjourn to the boat deck, aft deck or salon for cocktails and hors d’oeuvres while the “chef” prepares the evening meal in the galley located in the forward port corner of the salon. And when it’s time to turn in, the owner’s and guest staterooms and heads offer deluxe accommodations for a sound night’s sleep. Whether overnighting underway, at anchor in some quiet remote quay or at a marina, OLYMPIA is the perfect cruising platform. She is offered for sale by her original owner who is retiring from extended cruising. Having spent some 2000 hours aboard, whether for a weekend or two, or months at a time, the decision to change lifestyles has been made and she is looking for a good home for OLYMPIA. So, if you have dreams of cruising the coasts, rivers, islands, and faraway ports of the world OLYMPIA might just be the right boat for you. After all, she is the stuff of which dreams are made. Give us a call and take the first step in your journey.

WILL ACCEPT CLEAN TRADES!

Fuel Type: Diesel

DETAILED INFORMATION

Construction Information from Builder

Hull and superstructure molds from high-grade female tooling

Hull construction includes use of USA made, Cook gel coat, Hand-laid Knytex fiberglass construction with closed-cell PVC sandwich core used in topsides. Solid fiberglass below waterline with blister-resistant vinylester resin utilized on first two laminates below the waterline, with Aramid fiber / FRP reinforcements.

Superstructure includes end-grain balsa core and KynTex surface mats for print-through reduction.

Teak aft deck. Boat and fore decks have Grip Tex non-skid finish. Bulwark has molded plank lines with gel coat finish. Polyurethane formulated marine sealants used at hull-to-deck, boat deck joints, and exterior fittings.

Marine-grade plywood bulkheads with molded fiberglass hat section stringers.

Interior finished with handcrafted solid cherry and veneers. OLYMPIA has been lovingly maintained and thoughtfully upgraded. Service records for all major equipment are dutifully logged and available for you to review onboard your visit.

FRESH WATER TANK: 500-gallons | 1892.7 L (stainless steel tanks port & starboard)

HOT WATER HEATER: Torrid 30-gallon (240V / 1500 watts)

ADDITIONAL EQUIPMENT: Intervac central vacuum | Two Llebroc helm chairs | two-man ship ventilation fans in engine room | Wireless autopilot remote control | Engine room and boat deck cameras

SAFETY: Engine room Sea-Fire suppression system - EPIRB (category 1)

Boat Deck

OLYMPIA's spacious boat deck is enclosed by sturdy stainless-steel railings. The railings adjacent to the tender were milled to come off in 3 sections to allow for ease of launching and retrieving the tender. In addition to the tender and crane, the boat deck features a sliding hatch for ease of descent to the cockpit, movable steps to access the pilothouse roof and a full-size BBQ grill flanked by a covered sink with hot and cold running water. Storage is provided in a large port side locker, a midships locker that holds 2 aluminum propane tanks and 2 door cabinet under the grill. There is also a place on the aft railing for a large flag.

Master Stateroom

The airy master stateroom features a queen-size island berth which can be raised on gas struts to accommodate large possessions. Two hanging lockers, 2 chests of drawers, and 4 large drawers under the bed provide an abundance of storage. Sliding Ocean-Aire hatches above the bed provide breezes while at anchor as do 4 large port lights. The ensuite head features a full-size shower with adjustable shower head and sliding door, a granite covered vanity, a mirrored cabinet and designer lighting over the sink.

Guest Stateroom

The guest stateroom features 2 Sunbrella-covered twin beds, each with generous storage both under the mattresses and in a bank of 5 large drawers under each bed.

A hanging locker complete with a cabinet running the full width of the room holds bedding and a myriad of other belongings. Behind the door are separate stacked Bosch full-size washer and dryer. A desk and bookshelves add to the functionality of the room.

Guest Head

Across the companionway is a large guest head complete with a full-size shower, long granite covered vanity, double mirror, and additional storage above the head and under the vanity.

Additional Amenities

Non-operating port lights provide light throughout the entire stateroom are even on rainy days. Custom cherry wood blinds flank the windows in the pilothouse, salon, galley, and guest stateroom. A new rug completes the pilothouse. A full height door from the companionway leads down to the walk-in engine room.

Galley

Blue Star 4-burner propane stove / oven

Jenn Air 2-door refrigerator / freezer with icemaker

Large stainless-steel sink

GE Profile microwave / convection oven

GE Profile dishwasher

GE Monogram 57-bottle wine refrigerator

Granite counter tops

Grohe faucet with sprayer

Pull-out trash and recycle containers

Custom spice rack and bookshelf

Rolling cabinet drawers

Glass tile back-splash behind stove

Elongated granite counter top to form breakfast bar

Lighted curio cabinet with glass shelf

Navigation / Electronics

(2) Garmin chart plotters embeded with GPSMAP 7215 series software, including BlueChart g2 vision charts with sonar, weather and radar capabilities. New electronic charts purchased October 2018

(2) MMSI-registered, DSC equipped Garmin VHF 100 / 200 series radios - one in pilothouse, one in salon. Both interfaced NMEA 2000 network

Fusio MS-UD / AV755 radio (new 2017) in pilothouse linked to units in galley / salon, cockpit, and boat deck

Garmin satellite weather receiver and antenna

Garmin autopilot with wireless remote control

Rogue WAVE Wi-Fi wireless module with repeater

GS25 antenna with built-in rate compass 10 Hz position update rate

Portuguese Bridge

Forward of the pilothouse, secure passageway

Port and starboard wing stations with controls for bow thruster and engines

Sunbrella covers for wing station controls

(4) Integrated storage lockers

Pilothouse window covered in custom green Textilene fabric

Entertainment Components

KVH M5 Satellite dome for TV reception

Blu-Ray disc player

Fusion 4-zone radio with 8 speakers installed in pilothouse, salon, cockpit, and boat deck

Samsung 46" flat screen smart TV

Other Important Components

Bosch washer and dryer

(2) Custom leather club chairs

TV lift system port side

Full ship, four-zoned air conditioning and heating (total 36,000 BTU's)

ESI fuel polishing system

Northern Lights 16kW generator with sound shield

Reverso oil change system plumbed to engines, generator, and transmissions

ABT hydraulic package including active fin stabilization, Maxwell windlass and 22-hp bow thruster

Forward and aft shore power inlets (4 in all)

WEMA fresh water tank monitors

Black and gray water tank monitors

Magnum inverter / charger with monitor

Rudder angle indicator at helm station

(2) Lleboc multi-positioning helm chairs covered in Almond Ultra-Leather

Maxwell digital chain counter

LED lighting throughout including navigation lights and outside lighting

Super Max 22 150 lb. rigid anchor with 300' 1/2" marked chain

Delta anchor 110 lb. anchor with 300' 1/2" chain (chain counter at helm station)

Kahlenberg horn with auto and manual settings

(3) Transom mounted, removable staples

(2) Stainless-steel pop-up swim platform cleats

Under mounted swim platform ladder

Portuguese bridge-mounted category 1 EPIRB

AB Oceanus VST 13' 7-person tender with center console, fiberglass bottom and 630-

hp Yamaha engine

Custom green Sunbrella tender cover

Custom green Sunbrella BBQ grill cover

Custom green Textilene pilothouse window covers

Bow tow eye

Anchor sunbber

Engine room Sea-Fire fire suppression system

Stainless-steel sink in engine room

Engine room and boat deck cameras

Spares for engines and other equipment

(2) Charles isolation transformers

Sea Star propane BBQ grill mounted on boat deck cabinet

(4) Offshore adult life jackets and 8-coastal adult life jackets

(1) SOLAS, Coast Guard approved flare kit

Fusion 4-zone stereo audio system with 8-speakers throughout boat (inside and outside)

Satellite weather on both chart plotters

Salt and fresh water pump wash down spigots on bow; fresh water wash down spigot in cockpit

(2) Large foredeck lockers port & starboard with custom Sunbrella cushions

Dual Glendinning cable master systems in cockpit, each with 75' cables

PTO on generator for hydraulic bow thruster

(2) Sets of 3/4" custom colored dock lines

(3) Large fenders, 2-large ball fenders

Exclusions

Owner's personal items, model hulls, artwork, and tools

Exclusions

Owner's personal belongings.
