# ХАРАКТЕРИСТИКИ

## Обзор

**Recently contributed to AMIkids and will soon be available for lease with interest free terms to qualified individual**

The "Gettin Lost" has tremendous seakeeping ability because of the low center of gravity and deep V forward making this a dry and soft ride. "Gettin Lost" is powered by upgraded Caterpillar C= 15 865 hp Diesel engines with two Northern Light generators, Westmar stabilizers, Bow and stern thrusters, 3' boat deck extension, keel extension, Arid bilge systems, yacht controller, sono hull barnacle protectors and the list continues. She has been continually updated and professionally maintained by her owners during their entire ownership. The owners have bought a 80' 2013 Offshore which share the same great features as the 62' Offshore.

Now it's time that this beautiful yacht -loaded with options - finds her new owner !!

**If the vessel remains in FL there will be no sales tax due**
