SPECIFICATIONS

Overview

Dianna Rose is a 2012 Lagoon 500, Four Cabin, Four Head, Owners Version. She has the most sought after cabin configuration made for this model, because she has a very large Owner Cabin Starboard Aft, but still has a nicely sized double cabin starboard forward. This makes her ideal for Private Owner use, for a larger family that needs four cabin, or for luxury crewed charter. Dianna Rose was one of the last Lagoon 500 that was ever built and was commissioned in 2012. She has spent her life in the Caribbean. Over the past few years she has operated on a limited basis performing luxury crewed charters with a professional captain and crew onboard. She has been lovingly cared for and has low hours on all of her systems as she was never used as a bareboat. * Preliminary Listing * Contact Broker for further details
