SPECIFICATIONS

Overview

The AB 140 is the largest semi-custom range produced by AB Yachts, presenting a range of 41.60 metre open-style yachts intended for owners who desire speed and luxury. Although she features the attractive addition of a flybridge, the model is still defined by the same cutting-edge technology found in the rest of the AB line, and waterjets that allow her to reach staggering speeds over 40 knots.

Tuasempre has been most recently refitted in between 2017 and 2019 and the all works carried out (upon request) can be demonstrable by relative invoices of about 1M of euro

Basic Information

Category: Motor Yacht

Sub Category: Motor Yacht

Model Year: 2007

Year Built: 2007
