## 2017 21' MERRY FISHER 695 EXTERIOR WALK THROUGH

---

**AFT DECK:** The Merry Fisher has a swim platform on either side of the centerline outboard engine, with a convenient swim ladder to starboard. The aft deck is on the same level as the swim platform, with a door to starboard. The aft deck has a removable table, plenty of storage, and versatile seating that slides forward to accommodate the engine when raised. Other features include: drink holders, rod holders, and a shore power input plug. The upholstery on the aft deck shows some minor wear.

**BOW:** There is a bow hatch into the V Berth, as well as an anchor locker. There are 2 windshield wipers, which are useful when underway. The Merry Fisher 695 is outfitted for a bow thruster, although one is not currently installed.

## 2017 21' MERRY FISHER 695 INTERIOR WALK THROUGH

---

A large sliding door leads into the cabin space. There is a dining table to port. The forward seat can face aft for dining, or forward for navigation while cruising. The dining area converts to a sleeping berth. The cabin forward converts from seating to a V berth.

A separate head compartment is to starboard, forward of the helm, and features a Thetford toilet (with holding tank) that is still factory wrapped, and has never been

used.

The helm station is to starboard, with a bolstered helm seat, and opening window. Aft of the helm is a plumbed sink area. The faucet has not been installed, but it is an easy conversion.

There are multiple storage areas in the sole, under the dining area seats, and in the forward V berth.

The large sun/moon roof is easy to open and close. All of the windows and doors have room darkening shades/curtains.
