DETAILED INFORMATION

Overview

Manufacturer Provided DescriptionThe Tiara 3100 Open proves that big boat features are available in a smaller package. Style and function come together with the 3100's wood-crafted interior detailing and her fully equipped galley, berths and head. With a 12-foot-long stepped cockpit, plenty of space is available for guests. Designed with port and starboard cockpit steps for safer boarding, and the trademark diamond-pattern non-skid from bow to stern, this yacht provides both the style and the safety needed for family and friends. The 3100 Open uses Teleflex hydraulic steering; Morse throttles and shifters; VDO BlueLine gauges; Crusaders; and Volvo, Cummins or Caterpillar engines to prove that great partnerships make for even better results.**Accommodations**Master stateroom features a double berth with filler cushion; storage compartments above and under berth; hanging locker; hullside shelves; reading lights.
