Overview

This listing is available for virtual and in person tours, please contact the listing broker to schedule an appointment"Calme" is a one of a kind beauty ideal for summer days on the lake or cruising busy harbors in the evenings. Do you boat on a lake banning the use of gasoline powered boats? If to, this boat is the solution!"Looking for the most Peaceful day on the water possible? Consider the new electric-powered 26 DCE. The DCE is our ever popular 26 Dual console with electric power. With a total run time of up to 20 Hours Between charges the power package will far outlast the kids when it comes to a day on the water. With the standard 50 amp charger, the battery pack can be fully recharged in just 4 hours. Winterization, and engine maintenance costs are virtually non-existent, and fuel cost are a thing of the past. Enjoy all the features of the Standard DC with only the sounds of wind and water to accompany the Perfect day on the water." - Vanquish YachtsCurrently stored for the winter and available for inspection. Please call or email to schedule an appointment!
