## Remarks

ANDIAMO IS IN TRUE, TURN KEY CONDITION boasting a COMPLETE REFIT during the 2019/2020 season. There is not another Palmer Johnson on the market that rivals the design, beauty, and mechanical condition of ANDIAMO. All engines, generators, and Seakeepers are in service to the last 100 hours. All head gaskets and injectors of main engines were completed in the last 6 months. This yacht truly needs NOTHING and is in CLASS.M/Y Andiamo, the 150 ft Palmer Johnson, formerly Grey Matters & Skyfall II, underwent an extensive refit during the 2019/2020 yard season. Having trust and space to bring the owner's style to their new vessel required attention to the smallest of details. ANDIAMO is an oasis of relaxation that will help you and your loved ones create memories of a lifetime -- the way she was designed to be enjoyed from inception. We warmly welcome you aboard to experience the new ANDIAMO difference. The interior of M/Y Andiamo has undergone a complete refit of all soft goods with the addition of custom furniture, new upholstery, new carpet, bed linens, and the intricate details of accent rugs and throw pillows all showcasing the new "Blue and White" theme of the interior's design. She also boasts a complete AV System refit featuring Kaleidascap movie systems, 2019 Seatel HD Sat Receivers, WiFi, 4x TVs throughout, over 13+ Apple TVs and both direct TV for USA and Latin America alike. The exterior of M/Y Andiamo has also had a complete refresh of paint, teak, and upholstery, as well as a complete redesign of the bridge deck space. Starting aft, we have incorporated a sun pad fully integrated with the jacuzzi providing maximum sun space and comfort for those perfect Caribbean afternoons. ANDIAMO is currently in the yard receiving the annual Lloyds Class Survey, complete sandblast of bottom, fresh bottom paint, prop speed and tune, new exterior paint and new teak decks. The garage/beach club is being custom designed to hold the newer GTX 3 person wave runners as well as an integrated sled system for both the 15ft-18ft Jet Tender and custom designed launch for the 20x20 sea pool and inflatable lounge system extending aft of the swim platform. Moving forward beyond the jacuzzi, we have extended the sofa lounges port and starboard to the full length of the bridge. This provides ample shade and comfort to enjoy your favorite sports game or show with HDTV both port and starboard augmented by a complete sound immersion from a 2019 JL Audio system overhaul. The AV system of M/Y Andiamo has experienced the largest refit since its maiden voyage. The cinema has been updated to a true 4K experience featuring a state of the art Kaleidescap movie system and a complete surround sound experience with various speakers and subwoofers. All of the interior and exterior TVs have been replaced with the latest 4K monitors supported by new 2019 HD Sat TV Receivers, Apple TVs, and the best sound system in the industry. There are multiple subwoofers on all decks and dozens of speakers for any audio-visual occasion. M/Y Andiamo has also added the beach club featuring a custom 20x20 Sea Pool with loungers. This keeps the sea life out of the swimming area via a protective net, and also allows you to enjoy the water without the fear of drift from ocean current. The beach club garage is designed to hold 3 Seabobs, dive tanks and air system, 2 full-size wave runners, a 15-18ft Jet Tender, and so much more. ANDIAMO is a 5 stateroom layout accommodating 12 guests. Full-beam Master, two VIPs, and two doubles with a pullman.
