DETAILED INFORMATION

Overview

Canadian Yacht & Ship Brokers Inc. is pleased to bring these Australia design motor yachts to Canada. Whitehaven yachts are custom made, owners have the ability to personalize every aspect of their build, working with expert designers and master craftsmen. Owners begin with a blank slate working with experts along the way, to hone layouts, select specifics and add optional extras. The outcome is a truly bespoke vessel that perfectly reflects the owners' personal boating style.

The 6000 Flybridge takes inspiration from the Whitehaven 7000 Flybridge, offering a spacious entertainer's cockpit, tender garage, flowing galley through salon, stunning accommodation etc.

Multiple accommodation layouts are available, along with our unique contemporary forward or aft galley salon flowing out to a Euro-style cockpit. In an effort to deliver the smoothest ride, the hydro-dynamically designed hull ensures soft entry and dry ride.

Master-crafted timber work is a feature of each of the various internal layout options for the 6000 Flybridge. A consistent feature across the range is the impressive full-beam Master Stateroom offering a luxury, space and stability in all conditions. Full gloss or satin timber finish are options, complemented by a broad selection of premium Ultra Leathers in the headliners and seating. Quality appliances are offered throughout the spacious aft or forward galley, along with a stainless steel barbecue and refrigeration in the cockpit, enhancing every occasion and making entertaining a breeze.

Whether you're looking for a motor yacht that serves as a long range cruising holiday home or first class luxury weekend apartment, the Whitehaven 6000 Flybridge surpasses your expectations on all fronts.

DISCLAIMER
