SPECIFICATIONS

Overview

The 80 Sunseeker delivers a seductive combination of style and exclusivity on all fronts. JAAAA enjoys the same attention to detail and scope for personalisation as the other graceful models in this range. The interior has a real feeling of opulence and clever design cues throughout that really make the yacht stand out. The layering of textural elements and the mix of furnishings and fabrics feels timeless with a modern twist that oozes style and elegance with a range of plush colours and finishes available. Below deck arrangements allow for three full beam double staterooms, or two double guest staterooms and two twin guest staterooms with crew accommodation situated in the stern.

With a cruising speed of 20 knots, range is around 350 nautical miles, but at full throttle the yacht will provide a comfortable 28-30 knots.

She has a large flybridge providing separate helm position, ample seating and sunbathing space while the large aft submersible bathing platform provides plenty of space to carry a tender or jet skis.

KEY FEATURES

- Engine hours 950 h (April 2019)
- 4.45 m Williams jet tender
- Hardtop
- Jacuzzi on flybridge
- Hydraulic swimming platform
- 2 x 27,5 kW Köhler generators
- Zero speed Traq stabilizer with fins
- Underwater lights
