SPECIFICATIONS

Overview

When you buy a used boat, you can often end up having to spend thousands on upgrades and improvements. Not this one. You'll never find a boat with more upgrades and improvements than TIME TO GO! Owner has invested over \$80K in her in the last four years - no expense was spared. TIME TO GO features both bow and stern thrusters, full flybridge and sundeck Eisenglass enclosure with zippered windows and screens, auxiliary "get me home" system, Reverso oil change pump, Fusion stereo system, updated Garmin GPS and autopilot, fire suppression system and much more. And that's just a partial list - for a full list, keep reading.

DETAILED INFORMATION

MAIN DESCRIPTION

When you buy a used boat, you can often end up having to spend thousands on upgrades and improvements. Not this one. You'll never find a boat with more upgrades and improvements than TIME TO GO! Owner has invested over \$80K in her in the last four years - no expense was spared. TIME TO GO features both bow and stern thrusters, full flybridge and sundeck Eisenglass enclosure with zippered windows and screens, auxiliary "get me home" system, Reverso oil change pump, Fusion stereo system, updated Garmin GPS and autopilot, fire suppression system and much more. And that's just a partial list - for a full list, keep reading.

38' MARINE TRADER WALKTHROUGH

Boarding from the side, you enter onto a spacious sundeck, featuring a full Eisenglass enclosure. Either side deck can be accessed from the sundeck as well as the upper bridge. A teak staircase leads down to a spacious salon. Aft of the salon is the master stateroom with ensuite head and separate shower. Forward of the salon is the galley, which is then followed by the forward guest stateroom and head.

38' MARINE TRADER SUNDECK

The spacious sundeck is completely surrounded by a custom made Eisenglass enclosure allowing for comfortable off-season cruising, with zippered windows and velcro screens that will let in the breeze when the weather turns warm. An inviting patio set makes for comfortable seating and a great place to relax. The sundeck also features a wet bar making it an ideal location for entertaining or just quiet relaxation.

38' MARINE TRADER UPPER BRIDGE

The upper bridge consists of an updated captain's chair, with cushioned bench seating on either side. Storage areas exist under both benches as well as beneath the helm. The entire upper bridge is surrounded by a custom-made Eisenglass enclosure, which just like the sundeck, features zippered windows and velcro screens for ventilation.

38' MARINE TRADER SALON

The salon features an attractive teak interior and ample storage. Five forward salon windows have been replaced with new insulated windows and port and aft windows have been fitted with custom blinds. The salon bar counter has been updated with a

new Corian countertop. To starboard is the lower helm with helm seat and side deck access door; aft of this is a settee that converts into a sleeping berth, as well as folding teak table. A wall-mounted flat screen TV and DVD player provides entertainment in this comfortable and inviting salon .

38' MARINE TRADER MASTER STATEROOM

As you access the master stateroom there is a combination washer/dryer to starboard. The master stateroom is aft of the salon and features a centerline queen size berth, night stands, reading lights, 3 hanging lockers, enough drawer and cabinets for those extended cruises as well as a vanity/desk. The a/c unit in the master stateroom has been replaced and is now controlled with an updated digital thermostat. The ensuite head features an updated Raritan Marine Elegance head with separate shower.

38' MARINE TRADER GALLEY

The galley is located forward and a few steps down from the salon. It features a 3-burner propane stove and oven, stainless steel double sink and a full-size refrigerator. Ample storage cabinets, counter top space plus abundant overhead lighting make meal preparation a breeze. There is also a gas grill mounted on the foredeck.

38' MARINE TRADER GUEST STATEROOM

The guest stateroom is forward of the galley and features two twin berths, a hanging locker, storage cabinet and a desk. The guest head features a Raritan electric freshwater head and sink.

38' MARINE TRADER ELECTRONICS

* Garmin 4210 GPS chartplotter on lower helm (updated in 2015)* Garmin VUSS12L Mid-Atlantic Bluechart G2 Vision (2017)* Garmin 7610 on upper bridge (2017)* New transducer for Garmin GPSMAP 7610 (2017)* Garmin Reactor Hydraulic Core Pack Autopilot w//Smartpump (2017)* Airmar DT-800 N2K bronze transducer (2017)* GRF-10 rudder angle sensor (2017)* Garmin camera facing aft (2017)* Garmin handheld autopilot remote (2017)* Uniden UM415 DSC Marine VHF on upper bridge (2017)
