Overview

Owner can also deliver to East coast of the USA (once COVID-19 restrictions are lifted) for additional charge.

Songbird is a lightly used Dufour 40e Performance.... She is NOT a standard Dufour 40e.... Fortunately at the time we were able to specify factory hull modifications to enhance her safety for long distance sailing. She has never been raced, never been chartered and has been sailed predominantly in light conditions (under 20kts). The Admiral (my wife) is not a hardened sailor. She has been very well cared for and kept in very good condition..... Many visitors aboard make the comment "Is she New"... We are pretty fussy owners and spend a lot of time maintaining her. Unfortunately we have to say goodbye to her and hopefully pass her on to new owners who can enjoy her as much as we have. Current location is the the Caribbean Islands and set up for you to fly in and sail away.... All we would need to do is remove our personal gear

Owner can also deliver to East coast of the USA (once COVID-19 restrictions are lifted) for additional charge.

Located in Leeward Islands Caribbean.
