## Overview

---

Game On was originally commissioned in 2009 as “Haymaker”. This 42 Flybridge is by far the nicest Liberty ever built. The layout, finish and attention to detail will exceed all expectations. Her knowledgeable owner has maintained her at the highest level and the perspective buyer should expect to purchase a vessel in Bristol Palm Beach condition. Game On is a true attention-getter in every marina BUT IT DOESN'T STOP THERE. The Liberty 42's dry, soft ride on rough days will bring smiles to owners, guests and crew-it is truly amazing.
