SPECIFICATIONS

Overview

One of the largest shipyards in South America, **INACE** has an impressive history of 52 years and more than 660 ships built to clients in the defense, work and yachting industries.

The **INACE Aventura 100** is part of INACE's new generation of long-range yachts that combines the shipyard's proven seaworthiness and reliability with modern design and features.

Full displacement, steel/aluminum tri-deck conceived by Fernando de Almeida Design, she boast an expansive internal arrangement on her 4850 sq ft (450m²) of living area, including: full beam master stateroom on main deck along with galley, living and dining rooms; 4 guests staterooms on the lower deck; bridge and sky-lounge on the upper deck. The large stern can accommodate any arrangement form a fishing cockpit to an enhanced beach club.

She can be built in 24 months based on a proven INACE platform.

The **INACE Aventura 100** presents the same level of technical quality and bespoke finishing as the most prestigious Italian shipyards for a fraction of their cost.
