SPECIFICATIONS

Overview

Above the waterline, you see all the handsome styling from the 1930's , a real head turner. Below the sparkling skin , the modern fiberglass hull and high performance Mercury Mag 300 with Alpha Drive give you a smooth dry ride with complete control. As you accelerate powerfully, leaving the other boats in your wake, the Cherubini cuts through the chop with ease, thrilling your passengers. This isn't a dream as we knew we could marry the beauty of the past with the advanced technology of the present for an unparalleled boating experience. Built with love , our timeless designs are the result of four generations of experience and spectacular Cherubini craftsmanship. This vessel was a Cherubini Boat Show Demo Boat only that is just now being placed on the market so everything is just like brand new.
