DETAILED INFORMATION

Manufacturer Provided Description

Born of a close partnership between Philippe Briand and Andrew Winch, the Jeanneau 64 features elegant lines with classic proportions. Contemporary deck styling gives the yacht a timeless appeal. Every Jeanneau Yacht is designed to be a sailor's boat, and the Jeanneau 64 is no exception. This flagship is secure, fast, and enjoyable to sail. Philippe Briand has delivered a modern hull that incorporates a hard chine for increased speed, stability, and interior volume. Life aboard a yacht is lived in the fresh air. Careful attention has been paid to the way we spend time on board, with dedicated spaces for relaxation, reading, cooking, dining and sunbathing. You will find living areas for gathering with family and friends and quiet spaces for communing with natural surroundings. Meticulous attention to detail, quality and style are the hallmarks of Andrew Winch's designs. Every space has been carefully considered for comfortable living.

With several thousand possible combinations of fabrics, woods, leathers and interior and exterior layouts, the Jeanneau 64 is truly a semi-custom yacht.
