DETAILED INFORMATION

Manufacturer Provided Description

Founded upon the ethos of continuous innovation and feedback from cruising clients, the new Leopard 45 sailing catamaran represents astute value, elegant lines and satisfies blue water passion.

With naval architecture by Simonis & Voogd Yacht Design, and with exterior and interior design by the world-class design team at Robertson and Caine, the Leopard 45 Sailing Catamaran not only builds on the best features of the current Leopard range, but most notably offers new exterior styling and enhanced interior accommodation.

The exterior styling has evolved from the more curvaceous deck features on the current Leopard range, into a sharper, more angular look, topped by a sleek new saloon hardtop, which extends from aft cockpit to forward cockpit.

Available in a 3 or 4 cabin layout, the Leopard 45 offers the perfect entertainment package with increased aft area with new layout, ergonomically designed open plan saloon and galley, larger forward cockpit, and more onboard area.

She's sleek and nimble, yet comfortable. She incorporates a heritage of Leopards spanning twenty five years of production expertise.

In summary, the Leopard 45 Sailing Catamaran delivers uncompromised, exceptional build quality throughout, new, sleek styling, a sensible and practical layout, sailing comfort across all sea states, and features innovative technologies and multiple entertainment areas.
