# DETAILED INFORMATION

---

## Description

---

Turn heads like never before with this Intrepid 475 Sport Yacht . Built by an extremely knowledgeable owner and multiple intrepid owner. Intrepid perfectly married the feel of a sport fish with the sporty looks and performance of a sport cruiser, all with brand new 2020 627SV outboard power.

The helm has incredible views and a console with room for the latest Garmin flatscreen navigation equipment. Luxurious bridge deck lounge seating wraps around the helm inviting easy conversation with room for a full wet bar, standard separate drink cooler and plenty of helm deck air-conditioning. Aft of the helm, 100 square feet of wide open space is ready to be rigged for your favorite activities - including diving, fishing, or simply for the enjoyment of a broad sundeck that is perfect for lounging.

Step below to the spacious cabin for relaxing or entertaining. Luxurious finishings adorn the salon and galley with very thoughtful accommodations. Dual state rooms positioned mid-ship offer comfortable and private quarters with convertible sitting in the salon and a forward berth that can accommodate a total of six overnight guests. The head compartment has 6'4" of headroom and an enclosed stall shower with entry from the Master or the salon. Incredible side hull windows make the lower salon and state rooms light and bright with incredible views of the water while running or any great anchorage. The entire interior wood is maple high-gloss and the flooring is teak with maple, which makes for a very clean and modern look. All the interior soft goods were upgraded from a design studio in Fort Lauderdale, tastefully done with incredible quality fabrics, not your normal center console interior.

**This 475 intrepid was re-powered this year with brand new 627SV engines with three-year warranty.**

**What new for the 627sv:**\* New and improved sound management for quiet cruising. \* New CR gear case with dou-props for maximum thrust and low speed cruise efficiency. \* New ZF transmission for precise and smooth shifting. \* New Volvo fully integrated EVC system delivers a unique experience of increased monitoring and control at the helm. **The end result is a boat that can plane at 20 mph, cruise from 20 to 50 mph and top out at 70 mph when you are trying to out run a squall or be first to the fishing grounds.**

---

## Features and Equipment

---
