SPECIFICATIONS

Overview

This Wellcraft Gran Sport 3400 is a great family cruiser for daytrips and overnights on the Potomac River. She features a roomy cockpit with seating for 6, full canvas bimini, w/ enclosed sides, and a wet bar. The cabin features modern updates to the full galley, open salon area w/ u-shaped dinette, air-conditioning, electric toilet in head. She sleeps 6 comfortable, 2 in the forward V-berth, 2 in the aft berth, and 2 in the convertible dinette. She has plenty of storage and closet space. She is powered by twin 7.4L Mercruisers and she cruises easily at 18kts with a top speed at 22kts. Her 6.5 Westerbeke Generator provides plenty of power for overnights on the hook. She has spent the last 17 years in fresh water. The helm station has full instrumentation, Morse shifter controls for the throttle and transmission, VHF radio, and Furono Radar.

DETAILED INFORMATION

MAIN DESCRIPTION

This Wellcraft Gran Sport 3400 is a great family cruiser for daytrips and overnights on the Potomac River. She features a roomy cockpit with seating for 6, full canvas bimini, w/ enclosed sides, and a wet bar. The cabin features modern updates to the full galley, open salon area w/ u-shaped dinette, air-conditioning, electric toilet in head. She sleeps 6 comfortable, 2 in the forward V-berth, 2 in the aft berth, and 2 in the convertible dinette. She has plenty of storage and closet space. She is powered by twin 7.4L Mercruisers and she cruises easily at 18kts with a top speed at 22kts. Her 6.5 Westerbeke Generator provides plenty of power for overnights on the hook. She has spent the last 17 years in fresh water. The helm station has full instrumentation, Morse shifter controls for the throttle and transmission, VHF radio, and Furuno Radar.

Cockpit

Boarding the vessel through the transom door on the stern you will find yourself in a spacious cockpit area. To the starboard is the freshwater connection, and forward on the starboard side is the wet bar with a storage compartment below the sink, and access to another storage compartment below the helm station seat. A third storage compartment is in the transom on the starboard side. On the port side against the transom is a 2 person bench with storage beneath the cushioned bench. Forward of this bench seat, adjacent to the helm station, on the port side is another cushioned seat with a storage compartment. 2 Pyle marine speakers. A short rail on the gunwale and transom provide a good hand hold when moving about. There are two rod holders, one on each side of the vessel. A light in the radar arch and 2 lights low on each gunnel provide plenty of lighting at night. Access to the spacious engine compartment is through three hatches in the cockpit deck.

HELM

Step up to the helm station on the starboard side, there is a large helm chair, stainless wheel, full instrumentation panel with updated gauges. The large curved windshield provides excellent visibility for the captain. There is an access panel below the helm station to a fuse box and storage below the helm chair. The helm station also includes; Cobra Marine VHF radio Morse shifter controls for clutch and throttles Furuno 1621 Radar Ritchie binacle Pyle stereo control Seafire Automatic Fire Suppression system Safe-T-Alert gas fume detector Bose marine speakers

Galley

The large, locking sliding hatch provides easy access to the cabin. Upon entering the cabin to port is the full galley. Over the galley on the aft bulkhead is the access to the electrical panel. The galley features abundant cabinet, counter, and drawer space. A Haier Refrigerator is below the counter. Origo 4300 2 burner stove. Rival 700 watt Microwave. Black & Decker countertop toaster oven. Igloo 2.5 cubic foot freezer.

CABIN

Forward of the galley on the port side is a large table top surface made of decorative distressed wood planks. Two portholes on the port side allow natural light into the cabin. Above the table is a Vizio TV. More storage below the table. Adjacent to this table on the starboard side is the U-shaped dinette with seating for 4. Above the dinette are 2 portholes allow natural light in on the starboard side of the boat. Air condition/heating controls are on the wall above the dinette. More storage below the dinette seats as well as above the dinette.

ENGINE ROOM

Access the roomy engine room through 3 hatches in the cockpit deck. Wellcraft did an excellent job making the engine room spacious with relatively easy access to all systems. The rebuilt Westerbeke 6.5 kw generator sit on the center line of the boat against the transom wall. Just forward of the generator is a sea strainer with easy access, and automatic bilge pump. Forward along the center line are 5 batteries (3 starting/2 house). On the forward bulkhead are two battery chargers, a ProSport 20 Plus and a ProMar 10amp Dual Bank. The port and starboard engines have plenty of room to access any system or perform any maintenance. Two 150 gallon fuel tanks line both starboard and port side. The Hynautic Steering Reservoir is mounted on the aft wall to port in the engine room.
