SPECIFICATIONS

Overview

Imported from the Netherlands, this 29' Beaver Picnic Launch is stunning. The handcrafted teak and varnished mahogany is unlike any other and the rope rub rail is a signature feature. Solid fiberglass hull and reliable twin diesels provide superb performance. The unique aft center helm allows for the captain to converse with all guests while cruising. Relaxing is made simple with the spacious seating area, aft sun-pad area, and the V-berth forward, plus electric head. When it is time to picnic, the folding teak table with pedestal can be put in place and the (2) refrigerator drawers can be utilized.

Consider the Dutch quality and twin diesels, and this is an exceptional value. This particular 2016 model has an extensive list of optional equipment and aftermarket upgrades.

Basic Information

Category: Cruising Yacht

Sub Category: Downeast

Model Year: 2016

Year Built: 2016

Country: United States

Vessel Top: Bimini Top
