SPECIFICATIONS

Overview

Welcome to this one of a kind 33.5 meter raised pilot house Bilgin yacht located in Turkey.

The 2020 CORONA motor yacht was stripped to her bare hull and completely rebuilt from top to bottom, stem to stern. Her systems are new (plumbing, electrical, generators, hydraulics, black and grey water tanks, air conditioning, helm and navigation equipment). The hull was repainted inside and out.

The entire yacht interior is brand new and custom designed for this motor yacht using only the highest quality materials and accessories found on super yachts. This includes American Walnut throughout the interior, Gessi fixtures in the bathrooms, Miele appliances, as well as unseen details such as sound and temperature insulation. No expense was spared. You and your yacht crew will appreciate unique features such as the two full size side by side refrigerator/freezers aboard when on extended cruises.

The yacht owner gets to choose from two full beam cabins for the master (one on the main deck and the other on the lower deck) and with five guest cabins this raised pilot house Bilgin yacht comfortably sleeps 10 guests and 5 crew. With a captain and 4 crew one is able to provide a high level of service aboard.

1 Year Manufacturer WARRANTY Provided by Euro Marine Group (stem to stern).

Basic Information

Category: Motor Yacht
