SPECIFICATIONS

Overview

Swan 56-041 'Sgt. Pepper' is an extensively equipped, very well maintained fast cruising yacht. She is probably one of the most beautiful Swan 56's sailing around.

One of the newest (2003) and equipped with modern single cockpit, which makes her very manageable and easy to sail. Sgt. Pepper is only used for (long-distance) cruising.

She is well maintained and currently based near Rome in Italy.

Basic Information

Category: Cruising/Racing Sailboat

Sub Category: Cruising Sailboat

Model Year: 2003

Year Built: 2003

Country: Italy

Dimensions

LOA: 57' 7" (17.53m)

1 x 48	Lewmar	1	Furlers/staysail sheet car pulls	Electric

INTERIOR

Honey colour teak with Corian surfaces in heads and galley and teak and holly soleboards, white leather upholstery. (2011)

Accommodation

6 single berths, 2 double berths in 3 cabins + saloon

Plan:

Description from forward:

Aft of the forward watertight bulkhead is a large storage area with ample room for spares, sails and sheets. Doorway aft to -

The forward “owner” cabin with a double berth to starboard. (In storage is a Pullman berth that can be installed above the double bed). To port is access to a heads with shower, which may also be accessed from the main saloon.

The main saloon is large with L shape seating and teak dining table to starboard and a sofa to port.

It is very light and airy. Aft of this is a large navigation station and an island storage / galley area.

This is situated over a central console with main engine under with refrigeration and work surfaces to port. This provides a perfect barrier between the working area of the yacht and the main saloon.

Aft of this is the companionway.

This layout makes a very clear delineation between the working area of the yacht and the main saloon which works extremely well.

To port aft is a twin cabin with a further double cabin to starboard. Both cabins have lots of stowage. Also to starboard is a second heads and shower.

Topsides lined with extra light teak battens

White painted outboard gratings in the whole boat

Lightweight floorboards laid with teak veneer

Additional set of white painted racing floorboards, non-skid surface, for racing

Removable lightweight white ceiling panels

Blinds and mosquito screens for owner cabin and main cabin

Cooker: Force 10, 4 burner, gas + 2 Propane gas bottles

Refrigeration system: electrical supply with external temperature display and controls (maintenance 2017)

Refrigerator: 150 litres

Deep freeze: 135 litres

Toilets: 2 – manual salt or fresh water flushing (maintenance 2017)

Showers: 2

ENGINE

Yanmar 4JH3-HTBE 100hp diesel turbo intercooled.

Yanmar reduction gearbox 3.3:1 mechanical.

RH 3-blade feathering 23" Maxprop propeller with spurs rope cutter.

Fuel capacity: 780 litres (172 gallons) in 4 stainless steel tanks (200 + 190 + 200 + 190)

Speed: max 8.9 knots; cruising 7 knots

Cruising range: 900 nm (700 litres useable at 5 litres/hr @ 7 knots)

PLUMBING AND VENTILATION SYSTEM

Pressurized hot and cold water

Water heated via engine cooling or AC element

Electrical/manual water pressure system.

Water heating system: 220v 150 liter **(2015)**

Watermaker: Seafresh SH206A 220v 95 litres/hr

Bilge pumps: auto in sump, manual in galley area, in cockpit.

Deck wash.

Heating: Eberspacher 37W 24v 3 fan unit.

Fresh water capacity: 480 litres (106 gallons) in two stainless steel tanks (320 + 160)

Holding tank (black): 20 litres (4.40 gallons) in two stainless steel tanks

Pump-out system (ashore/sea)

ELECTRICAL SYSTEM

24 V DC system

230 V AC system

Service batteries 24V 522 Amp/hrs new 2019

Starter battery engine and generator new 2019

Victron alternator 80A built in regulator (2015)

Master volt Converter / Charger 24 in – 220 Output, 120 Amp/hr.

24v 100 amp battery charger.

Westerbeke 50hz generator, 6 kw (2003)

Converter for PC.

Master volt Charger Control .

Battery bank monitor Link 10.

Duo Gen wind/water generator.

INSTRUMENTS

2 Raymarine Plotters, E120 and E80 plus RayTech PC software to form Networksystem

ICS Nav 6 plus Navtex

Leica Mk 12 Professional GPS

Simrad DSC VHF RD 68
