## Overview

---

Sail inventory enjoyed full 2019-2020 winter service, check over and minor repairs at Bay Sails.

This was one the most revolutionary designs ever produced by Hunter Marine. Like all newer Hunter sailboats, the 34 offers an unparalleled list of amenities for complete comfort and convenience-from the large cockpit with pedestal steering to the spacious seven berth, two cabin layout. But the Hunter Design Group has also incorporated a number of engineering improvements that have created a craft of greater reliability and enhanced performance for cruising and racing.

“Philosophy” is a one owner, freshwater boat that has been stored inside winters and meticulously maintained by a caring owner. She is fully equipped and ready to take her new owner off “Care Free” sailing for years to come.
