SPECIFICATIONS

Overview

Shearwater is simply spectacular She is a classic 41 ft 1966 Rhodes Reliant that has been almost completely rebuilt. The owner purchased the boat in 2000 and spent conservatively \$300,000 on rebuilds and upgrades. A new Yanmar engine, new refrigeration system, new galley countertops and a new fuel tank are just a few changes. Most importantly she has all new decks with new core, glass, Awlgrip and nonskid. Her brightwork is perfect and glistens. The best part is she sails like a dream and can handle serious water. The price was just reduced to \$124,900 and this Gem must be seen.
